Proceedings of the Madras Govt. Revenue
Department. - 16 May 1876.

No 147. Read the following Proceedings of
the Board of Revenue dated 19 April 1876
No 1027.

Read the following Proceedings of the
Madras Govt. dated 20 March 1876
No 393. Rev. Department.

Abstract - Guards supplied for preventing
unlawful removal of Spirits from
Distilleries - Referring to the Board of
Revenue for report letter from the
Inspector - General of Police requesting
certain information regarding -

The rulers of Excise districts are
bound under the terms of their agreement,
to pay the cost of such Police guards and
garrising establishments as the Collector may
consider necessary, provided the sum
of Rs 100 per mensem for each distillery
or depot be not exceeded. As the
payment was intended to cover the
whole cost of the establishment required
to be maintained under the new system,
the

the renters are strictly speaking liable to the imposition of pensionary Charge to meet Contingent liabilities in connection with the establishment for which they have agreed to pay and since the introduction of the Excise system without obligation.

2. The Resolution of the Govt. of India on the authority of which the charge has been made does not appear to be quite applicable to the present case. The case of the Police guards charged to the Salt Manufacturers in Orissa is analogous, but the Board are not aware whether a Pensionary Contribution is claimed in respect of them.

3. The Section of the Pension Code quoted by the Accountant General is inapplicable as the gangers are not "maintained directly from the General Revenue" and Service in that post does not count for pension except in the case of Officers already on a permanent establishment detached under Sec. 18. The Board believe that

Government servants have been transferred to temporary employment as gangers under the General authority given in Board's Pro. dated 26 July 1872 No. 1428 but no Pensionary Contributions have apparently been realized in respect of such persons. If, however, it is required in the case of the Police guards, it is equally payable in respect of the gangers, and as observed above, the Board consider that the charge may fairly be imposed, so long as the total cost of the establishment does not exceed the stipulated sum which the renters have agreed to contribute.

No. 1448 Order thereon, 16 May 1876-1878
Communicated to the Judicial Department with reference to the endorsement in that Department on letter from the Inspector General of Police dated 24 February 1876. No. 897. The Board's view that the Accountant General was wrong in

considering that Sec. 28 of the Pension Code was applicable to the case in hand, and the Government considers that the Pensionary Charges for both Police guards and Gangers should meet from the 100 Rs paid under agreement by the Districts in future agreements it is desirable to stipulate that should the costs of the establishment and pensionary contributions together exceed Rs 100, the excess should also be borne by the Districts.
