No. 2

TANJORE, 9th January 1884

Certified that I have carefully examined

Govindaasami Row

son of Nanana Row, Peon

in the Pattukotai Taluk, Tanjore District His age is by his own

statement 54 years, by appearance about 60

consider Govindaasami Row to be completely and permanently

incapacitated for further — service of any kind —

in consequence of Age - Defective vision

from incipient Cataract & debility His incapacity does not appear to

me to have been caused by irregular or intemperate habits.

This man must be older than he states - he gives his
 service as 40 years if this be correct that would make his age
 at commencement of service 14 which is not likely - his
 circulation is feeble & comingly lying generally unfit for
 further service
