GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following paper:—

From J. W. MARTIN, Esq., Executive Engineer, Tinnevelly division, to the Examiner of Public Works Accounts, dated Srívilliputur, 6th March 1884, No. 102.

With reference to your No. 328-S.E. 6th, dated 23rd January 1884, I have the honor to forward herewith the original letter of the Treasury Deputy Collector, No. 386, dated 28th February 1884, regarding the services of the Niranikams referred to in the above.

ENCLOSURE.

From M.R.Ry. C. VENGU PILLAI, Deputy Collector in charge of Treasury, Tinnevelly, to the Executive Engineer, Tinnevelly division, dated Tinnevelly, 28th February 1884, No. 386.

With reference to your letter, No. 851, of the 28th ultimo, I have the honor to state that by simply reading the conditions of qualifying service prescribed in the Civil Pension Code I have come to the opinion that I have already communicated to you in my former letter relative to the treatment of service in the "Niranikam" establishment paid from general revenues, and I have no other grounds to offer to confirm me in that opinion.

2. I know for a fact that when I was lately employed in the Satyamangalam division, Coimbatore district, the members of the establishment maintained for distributing water-supply to the wet lands under two great channels fed by the river Bhavâni are called channel Monaigars, a name, as it imports, pertaining to the nature of a village office; and I also know that vacancies among them are generally filled up by the next-of-kin, although the office is not recognized hereditary.

3. I am therefore inclined to think upon further consideration that the office can be taken as one falling within the category of village servants.

No. 1551-S.E. 6th.

Endorsement on the above.

Forwarded, in original, to the Secretary to Government, Pension department, for favor of disposal, with reference to his official memoranda Nos. 3 and 4 of January 1884.

2. The original enclosures received with the memoranda are herewith returned.

MADRAS,

(Signed) D. C. GORDON,
Examiner of Public Works Accounts.

ORDER—dated 5th April 1884, No. 297, Pension.

The Government observe that in the present letter, forwarded without comment by the Examiner, Public Works Accounts, the Treasury Deputy Collector contradicts the opinion previously expressed by him, but that no satisfactory reasons have been

adduced in support of either view. Unless proof is furnished on the following points to the satisfaction of Government the claims must be rejected:—

(1) Whether the duties and pay of the men were regulated by orders of Government.
(2) Whether their service was permanent and duly sanctioned.
(3) From what source they were paid.

(True Extract.)

To the Examiner of Public Works Accounts, with papers.

The T. D. C. expresses the opinion that Niranikams paid from General Revenue, fulfil the conditions of qualifying service, and this opinion is apparently endorsed by the Examiner, who forwards it without remark

S.L.

Should not be admitted without further enquiry. Ordinary Niranikams are mere Village servants & are not entitled to pension. Such servants in D.P.W. Conservancy establishments are.

CERTIFICATE.

Certified that I have carefully examined Thiraviam Pillai Son of Pandaram Pillai a late lascar in the Cannadien Channel. His age is, by his own statement 52 years, and, by appearance, about 56 years. I consider the said Thiraviam Pillai to be completely and permanently incapacitated for further service of any kind, or in the Department to which he belongs, in consequence of old age and infirmity. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

The application will be returned to the Examiner of P. W. Accounts for further enquiry as to whether the applicant's services in the post of Neeranikum may be admitted as qualifying for pension or not. It is observed that ordinarily such servants are not village servants and are not entitled to pensions. Neeranikums on D. P. W. Conservancy are so entitled.

From The Deputy Collector

To The Executive Engineer
Tinnevelly Dn.

Sir,

With reference to your letter No 851 of the 28th Ultimo, I have the honor to state that by simply reading the conditions of qualifying service prescribed in the Civil Pension Code, I have come to the opinion that I have already communicated to you in my former letter relative to the treatment of service in the "Neeranicam" Establishment paid from General Revenues. And I have no other grounds to offer to confirm me in that opinion.

2. I know for a fact that when I was lately employed in the Satyamangalam Division Coimbatore District, the members of the Establishment maintained for distributing water supply to the wet lands under two great Channels fed by the river Bhavani are called Channel Monaigars a name, as it imports, pertaining to the nature of a village office, and I also

know that vacancies among them are generally filled up by the next of kin although the Office is not recognized hereditary.

3 I am therefore inclined to think upon further consideration that the Office can be taken as one falling within the Category of Village Servants.

I have the honor to be
Sir
Your most obedient Servant
