Sir,

With reference to the

transmission of petition no 14 dated 8th

referred to me for report

I have the honor to inform you

that the petitioner held different

appointments on Rupees 10½ to 15 in

this District and his services

amount to about 26 years.

He last held the post

of Gunastabattengarai Taluk
and

and resigned that appointment
from 1st April 1868.

Under the pension
rules then in force had the
petitioner been incapacitated by
medical Certificate he would have
been entitled to $\frac{1}{3}$ pension viz.

Rupces 5.

As he resigned his
appointment in the British
Service to get himself employed
elsewhere he forfeited his claim
to pension. The petition ~~and its~~
enclosures are herewith returned.

I have the honor to be

Sir,

Your most obedient servant

F. S. M. S. S.

For the Collector

To the
Collector

To

His Excellency the Right Honorable
the Governor in Council of the Presidency of
Fort Saint George.

The Humble and respectful petition of
Venkatramana Iyer, residing at Tirupattur
in the District of Salem.

Most Respectfully sheweth:— My age at present is 66. On the 4th December
1840, when I was 23 years old I was appointed
a Police Clerk on Rs 10-0-0 in the District of Salem.
Since then up to 15 February 1868, I was employed
in that District as Karkone, Police amir and Clerk
in the Muzur and Taluk Offices. The length of my
service up to that time was 27 years, 3 months and
26 days, which entitled me to half pension from
the Madras Government.

2. But as I was poor, had a numerous
family depending upon me, and was strong
enough for further service I went to Bangalore
visited Mr Campbell, who was Secretary to the
Government of Mysore, and begged of him
to confer upon me an appointment carrying
a handsome salary. He had me appointed
to the post of Dy. Munshee, on a salary of
Rs 50 in the Office of the Grain Commissioner
to the Government of Mysore. I was holding that
appointment from the 16 February 1868 to 1st
September 1869.

3. On the latter date Colonel S. Clerk, who was the Main Commissioner, dismissed me without any grounds. I at once appealed to the Chief Commissioner. Thereupon he referred my petition to Col. Clerk, who passed again an order on the 21st January 1870, cancelling his previous order by which I had been dismissed, and directed me to put in my application for pension.

4. Though he issued the aforesaid order he delayed sending me to the Doctor, with a letter which he gave me only on the 27th May 1870. The Doctor examined me, and gave me a reply to the letter stating that I was strong enough for further service and that he could not grant me a certificate. Since then I was soliciting the Main Commissioner, to reinstate me in my appointment and to order the disbursement of the arrears of my pay due to me since the date of my dismissal. Instead of doing this at once, he on the 8th May 1871 appointed me in the same (i.e. Main Commissioner's) Office to a vacant Clerkship on Rs 20. Then I at once put in a petition praying that my pay, for 1 year 8 months and 3 days, i.e., the interval between my dismissal on the 4th September 1869 and my appointment on the 8th May 1871, might be paid to me, and that the delay caused by not immediately reinstating me in my appointment might not prejudicially operate and cause a break in my service. But I was not favored with any orders.

5. In so holding the last mentioned appointment from the 8th May 1871, to October 1873, i.e., for 2 years 5 months and 22 days. In the meanwhile, I was for a 2nd time, sent to the Doctor, with a view to retiring me, but no certificate was granted to me. My services were however dispensed with. Thereupon the Main Commissioner, recommended me for pension stating that the production of a certificate might be dispensed with in my case as my service exceeds 20 years. However pension was not accordingly granted to me, but an order was passed to the effect that my services in the District of Salem could not count towards pension and that my service in the Mysore Government was not long enough to entitle me to a pension. Thereupon I prepared an appeal to the Chief Commissioner praying that I may be granted pension. He gave me an endorsement desiring to interfere in my case.

He is not entitled to this

6. I therefore beg that your Excellency in Council may be graciously pleased to recommend to the Government of Mysore, to take into consideration my long service in the District of Salem, to grant me half pension to which I am justly entitled, and to disburse to me the arrears of pension that is due to me from the date on which I was retired with a view to granting me pension. As my service in the District of Salem is sufficient to entitle me to a pension, I beg most respectfully that the Government of

Chc 116 of 84

of Madras may be pleased to protect me
by sanctioning one, in case they may not see
fit to recommend me to the Government of
Mysore. When as aforesaid, I obtained an
appointment in the Mysore Government on the
16 February 1868, I resigned my firmastaship
in the Uttangarai Taluk of the Salem District
fully, believing that my service in the said District
would count towards my pension only with the
service under the Nam Commissioner of Mysore.
I would further beg to submit to His Excellency
that I have been addressing Mysore Government,
though in vain, up to 1879. Since then I fell ill,
and recovered only very lately. It was with
greatest difficulty that I was able to procure money
for my travelling expenses for coming to Madras,
and I now prostrate at His Excellency's feet for
mercy and justice.

Whether or not the Government will accept

I have the honor to return the enclosures of your docket
