GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

READ—the following papers:—

From the Collector of Nellore, dated 12th November 1883.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 22nd April 1884, No. A.D.J.-20.

Certified that should Government, with reference to rule 2, section 132, of the Civil Pension Code, 6th edition, and to the explanation furnished by the Deputy Collector in his reply, No. 85, dated 31st March 1884, be pleased to accept the medical certificate post-dated to the extent of 9 months and 16 days, qualifying service in superior grades will be duly proved for 19 years 4 months and 27 days, and that an invalid pension not exceeding Rs. 5-14-6 per mensem, equal to one-third average emoluments, will be admissible under sections 106 and 113 (b) of the Civil Pension Code, 6th edition.

2. The calculations have been duly verified.

3. It is observed from the remark opposite to No. 1 in the 3rd page of the application that the character and past conduct of the applicant have not been thoroughly satisfactory. It rests therefore with Government to make such reduction in the amount of pension that may be sanctioned to him as it may deem proper with reference to rule 1, section 69, of the code.

4. The delay in the submission of this application is explained by the Collector in his remarks opposite to No. 6 on the 3rd page of the application.

5. The applicant enjoyed leave on private affairs from 24th May to 14th June 1883, and drew an absentee allowance equal to a moiety of his pay. The leave was not admissible as he did not complete 6 years' service from date of return to duty from absence on similar leave in July 1879. It rests with Government to decide whether the irregular payment of absentee allowance should be recovered or not from the arrears of pension due to him.

ORDER—dated 6th May 1884, No. 355, Pension.

Under sections 106 and 113 (b) of the Civil Pension Code (6th edition), the Right Honorable the Governor in Council is pleased to grant to Amancherla Seshayya, late gumastah, Atmakúr taluk, Nellore district, an invalid pension of Rs. (5-14-6) five annas fourteen and pies six, per mensem, payable at Atmakúr from the 15th June 1883, in consideration of his qualifying superior service of 19 years 4 months and 27 days.

2. The absentee allowance drawn during leave on private affairs from 24th May to 14th June 1883 will be recovered from the arrears of pension due under these proceedings.

2. In the case of the latter individual the Board considered that suspension for six months, or degradation would be sufficient punishment, and they subsequently + sanctioned his re-employment in the Collector's Office on a salary equal to that which he held at the time of his original dismissal by Mr. Sykes.

3. The Board are not of opinion that the present petitioner should be treated differently. He has been

out of employ since July 1860 the date of
his dismissal, and a portion of his pay
then in deposit was credited to Government.

This the Board consider sufficient punish-
ment, and they therefore resolve to request
the Sub-Collector in charge of Nellore
to employ petitioner on the occurrence of
a suitable vacancy. His original
appointment having been abolished,
he must of course take his chance
with others who are now out of employ
from a similar cause.

This is to certify that I have carefully examined Amancherla
Seshayya - Son of A Venkata Nursao. Gumasta
Atmakur Taluk

His age is by his own
statement 56 years and by appearance about 65 years. I consider
Amancherla Seshayya to be completely and permanently incapacitated
for further service of any kind in the Department to which he belongs, in
consequence of old age and defective vision.

His incapacity does not appear to have been caused by irregular or
intemperate habits. He has not been under general Medical treatment
