GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Inspector-General of Police, dated 20th March 1884, No. 859.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 8th April 1884, No. A.D.J.-5.

Certified that (subject to the remarks below recorded) qualifying service in the Police department has been duly proved for 21 years 7 months and 12 days, and that an invalid pension not exceeding Rs. 2-15-4 per mensem is admissible under sections 106 and 147 of the Civil Pension Code (6th edition). The calculations have been duly verified. It will be observed from the history of service that the applicant originally served as peon on the establishment of the Guntúr Jail for a period of 5 years 6 months and 13 days, viz., from 18th September 1851 to 31st March 1857. The establishment was temporary, because men were taken on and discharged from time to time according to the increase or decrease of prisoners. The rules of the Civil Pension Code do not provide for temporary service reckoning towards pension. The Inspector-General of Police for reasons stated in the 4th paragraph of his letter, No. 1464, dated 20th March 1884, recommends that the above-named period of service should be regarded as pensionable, and that the applicant be granted a pension of Rs. 3-8-0 per mensem, treating the whole period of his service as pensionable on the inferior scale. Should Government, however, be pleased to accept the Inspector-General's recommendation, the total period of the combined inferior and superior services will amount to 32 years 1 month and 25 days, entitling the applicant to a pension equal to half of his pay or Rs. 3-8-0 a-month. It is respectfully pointed out that the grant of the

G.O., No. 587, dated 6th July 1882.

enhanced rate of pension will need to be reported to the Government of India, as was done in the cases disposed of in Government orders noted in the margin.

2. The delay in the disposal of the application is explained by the Inspector-General in paragraph 5 of the letter quoted above.

3. In accordance with rule 4, under section 134, the attention of Government is respectfully solicited to section 69 of the code.

ORDER—dated 21st May 1884, No. 381, Pension.

Under sections 106, 121 (b) and 150 of the Civil Pension Code (6th edition), the Right Honorable the Governor in Council is pleased to grant to Muhí-ud-dín Beg, late second-class constable, No. 1311, of the Kistna Police force, an invalid pension of Rs. (3-8-0) three and Annas eight per mensem, payable at Guntúr from 14th November 1883, in consideration of his qualifying combined Jail and Police service of 32 years 1 month and 25 days.

2. The applicant served continuously for 10 years 6 months and 13 days, of which 5 years 6 months and 13 days were on the temporary and 5 years on the permanent Jail establishment at Guntúr.

3. Such service was allowed to count for pension in the cases of Shekh Madar and Ramjan Beg disposed of by G.O., 6th July 1882, No. 587, and 6th September 1882, No. 825, with the sanction of the Government of India conveyed by their letters, dated 3rd August 1882, No. 2835, and 6th October 1882, No. 4165.

4. Copy of these proceedings will be forwarded for the confirmation of the Government of India.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in ^{inferior} ~~not exceeding Rs. 2-15-4 per annum~~ ^{superior} is admissible under Section 106 and 107 of the Civil Pension Code. The calculations have been duly verified. *Police Dept.*

It will be observed from the history of service that the applicant originally served as peon on the Establishment of the Goulton Jail for a period of 5 years 6 mos. and 13 days viz from 18th September 51 to 31st March 57. The Establishment was temporary because there were taken on and discharged from time to time according to the increase or decrease of prisoners. The rules of the Civil Pension Code do not provide for temporary service reckoning towards pension. The Inspector General of Police for Patna has stated in the 1st paragraph of his letter 41/1464 dated 20th March 84 recommends that the above named period of service shall be regarded as pensionable and that the applicant be granted a pension of Rs. 8-8-0 per annum treating the whole period of his service as pensionable on the Superior scale. Should Govt. however be pleased to accept the Inspector General's recommendation the total period of the applicant's Superior and Superior service will amount to 32 years 1 month and 25 days entitling the applicant to a pension equal to 1/2 his pay or Rs. 3-8-0 a month. It is respectfully pointed out that the grant of the enhanced rate of pension will need the report of the Govt. of India as was done in the cases disposed of in Govt. Orders noted in the margin.

The delay in the disposal of the application is explained by the Inspector General in para 5 of the letter quoted above.

In accordance with rule 6 under Section 104 the attention of Govt. is respectfully invited to Section 69 of the Code.

SIR,

I have the honor to submit for the orders of Government an application for the grant of Pensions to the following individuals of the *Kistna* District.

2. They have served in the Police for the periods and borne characters as specified against their names. They are now unfit for further effective service of any kind as certified by the *Zillah Surgeon, Guntur* on the 13th and the 18th November last. As there is no other qualified Medical Officer at this station, a second certificate cannot be obtained.

3. They are entitled to the invalid Monthly Pensions entered against their names according to _____ of the Police Superannuation Fund Rules and Sections 102 and 117 (b) of the Civil Pension Code.

4. From the enclosed letter No. 34 of the 29th Ultimo from the District Judge, *Histna*, it appears that the temporary appointment of *Muhammad Beg* in the Jail Department was not made permanent, but that he was confirmed in another appointment in the Permanent establishment on the 1st April 1857. As however, there was no break of service between the temporary and the permanent appointments and seeing also that no gratuity was granted for the service of over 10 years in the Jail Department and as his permanent service of 5 years would by itself be of no advantage to him, the whole period of the service in that Department has been taken to count for inferior service pension.

5. It was found necessary to make a reference to the District Superintendent regarding the applicants services in the Revenue and Jail Departments in consequence of which and the sickness of the clerk who prepares the pension

pension papers in the District office some delay has been occasioned in their final submission.
