For orders.

Submitted with reference to G.O. 28th Aug. no 310. It will be seen that in 1862 the G.I. ruled that the spirit of the rules had always been applied in Mysore pension cases. The applicant quitted the Mysore service only in 1860. Should the Resident be consulted in connection with the case?

I submit accordingly for orders. Mysore would have to pay most of the pension even if they admit the service and there is no precedent. The case is entirely independent

Note for Under Secretary

Sir,

With reference to the Under Secretary's remarks about the Memo: that was sent calling for the Resolution of 1862, I beg to state that as the document appeared necessary for the disposal of the case of Annasamy Pillay, I sent up a Memo: for signature - but as it took some days to return and to save time the pension case with draft order for 1/3rd pension was submitted - The Memo: in the meantime crossed these papers on the road and as it was returned with the Under Secretary's signature, I sent it to the Accountant General and obtained the Resolution that was wanted - In the interval the pension case came back to Mendras disposed of and after issue of the order I re submitted the file to Govt with the Resolution -

J.G.

With reference to the Under Secretary's note calling for the Office copy of a memo: that

was sent to Accountant General on
the 21st April last I beg to submit
the same herewith.—

I remember putting up a
note at the time but it is not
now forthcoming among the papers
a draft of it which I have
by me I submit for perusal.

The note, copy of which is put up, was clearly sent up after the resolution had been passed by the H.C. and not along with the memo calling for it. There is nothing to show how that memo came to be issued. It ought to have been sent up for signature along with the papers in the case and a note explaining its necessity. But it would seem as the enclosure that the papers were returned in headers. 25/4.
