CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that (subject to the remarks below recorded) qualifying service in { inferior superior } grades has been duly proved for 9 years 11 months (2) 5 months of the Civil Pension Code. The pension gratuity is not exceeding Rs. 360 a month equal to 92 is admissible under Sections 102 & 109 of the Civil Pension Code.

and 28 days; and that as awarded { pension gratuity } is chargeable to It will be seen from the accompanying Medical Certificate furnished by the calculations have been duly verified. The { pension gratuity } is chargeable to It will be seen from the accompanying Medical Certificate furnished by the Medical Board under Rule 3 Section 99 of the Civil Pension Code that the prospect of the applicant's life is not deemed to be a gratuity. But it is for Govt. to decide with reference to that rule and the foot-note to the section, whether the gratuity admissible should be commuted into a pension or not.

With reference to exception (c) under Section 99 of the Code, the Sanitary Commissioner explains that had the applicant not been declared to be unfit for further service he would have been awarded, in addition to his post after the expiration of the period of suspension.

It is observed from the remarks made by the Sanitary Commissioner in his letter to the Secy to the Secy 1884 that the character and past conduct of the applicant do not appear to have been thoroughly satisfactory. It must be then found with Government to make such deduction in the amount of gratuity that may be sanctioned to him as it may deem proper with reference to Rule 1, Section 65 of the Code.

The delay in the submission of this application is explained by the Sanitary Commissioner in his letter quoted above.

Proceedings of the Madras Government.

Read the following papers:—

From the Sanitary Commissioner for Madras
dated 8th February 84
Accountant-General, dated 27th March 1884 No. 513

ORDER THEREON, 22nd May/84 No. 404

UNDER Sections 102 and 109(2)
of the Civil Pension Code (5th Edition), the
Right Honorable the Governor in Council is
pleased to grant to Mr. Robert
Henrius late 2nd class
Deputy Inspector of Vaccination
Gooty Range an
Invalid gratuity of Rupees (360—)

payable in Madras

in consideration of his qualifying superior
service of — 9 — years, — 4 —
months and — 28 — days

The applicant is reported
not to have the normal
prospects of life from
thickening of the right
leg owing to varicose veins.
But if the gratuity
were commuted for a
pension, the latter would
amount only to Rs. 1/15-
per mensem which would
be of little use to an English
Indian. It is proposed
therefore to grant the gra-
tuity.

The applicant has
not given entire satisfac-
tion in his work & has
departed in 1879 in con-
sequence. But the Sanitary
Commr. attributes this to
ill health & observes that
nothing exceptionally bad
is recorded
against him.
