The Memorialist prays that the existing
mistake in the calculation of his pension
which should be Rs. 15 instead of Rs. 9
should be rectified, that he should be paid
retrospectively from the date of his dismissal
which was reversed on his appeal to have
been unjustified & that he should be re-
employed he being a compensation pension-
er and in sound health to work as provided
for in the Pension code.

LONDON

THE HUMBLE MEMORIAL OF C. VEERASWAMY
NAIDU PENSIONED ACCOUNTANT IN THE DE-
PARTMENT OF PUBLIC WORKS MADRAS RESI-
DING AT THE FORT OF TRICHINOPOLY.

May it please your Lordship
Humbly Sheweth

That Memorialist begs to acknowledge with heart felt gratitude the kindness with which the Home Government, on his appeal dated 14th September 80, bestowed on him a pension of Rs. 9-0-0.

2. That Memorialist begs again to approach the feet of the crown for redress of grievances hereunder mentioned.

3. That there exists a mistake in the calculation of his one third pension which should be Rs. 15 as calculated both by the Divisional Officer & that of the Superintending Engineer and not Rs. 9 as the average amount of the pay he had drawn was Rs. 45 (the actual and permanent pay he drew having been Rs. 60 & 30) for the last 5 years of his Service as per Section 79 (a) & (b) of the Pension Code. This mistake he prays to be rectified.

4. That Secondly Memorialist begs to represent that he, as a compensation pensioner, should be bestowed on a Situation in his line, but his prayer for the same is not taken in notice and he begs therefore to request that your Lordship will be graciously pleased to interfere a little and insist on the justice of his being employed as an accountant, or anicut Superintendent, for which place he is fully qualified (Vide copies of testimonials,) and he is of 52 Years of age only and in good health and energy. This arrangement he begs to submit, is not against to the civil code & G. O. No. 947 of 21st September 1880 Pension Department.

5. That the Memorialist's third and the last grievance is that he was pensioned only from 12th March 1881 instead of from 18th December 72 from which date he was dismissed from Service as the unjustified dismissal was reversed by the Home Government on the reasons shown in his appeal quoted above. Had the dismissal not occurred, he would still hold his appointment and receive his actual pay & promotion & the appertaining pension. He had lost all such benefits not by his fault and he therefore submits he is justified at least to claim for the pension, in lieu of the greater advantage he was made to lose, to be paid him retrospectively from the date of the unfortunate dismissal. He was found guiltless, the order of the Local Government was quashed and, he was redressed by the Home Government and he should in justice thereof receive the pension for the full period and not for a part of it as arranged by the Local Government. By this arrangement he has lost the full benefit of the redress he received after a great trouble pain and loss your Lordship will have, therefore compassion on Memorialist and order the pension thus withheld to be paid him from the date of his dismissal, considering the heavy loss he had already sustained.

6. That memorialist begs in this opportunity to state that he is belonging to Kandy (Ceylon) Royal family and that the pension which his father was receiving was discontinued he (father) having received an accumulated sum for 10 years as arranged by the Government. Memorialist has to maintain both his parents aged 75 & 65 years respectively besides the other members of the family and to educate his children. The distress he is laboring under is naturally great and is augmented by the virtue of his family dignity. Memorialist begs to beseech your Lordship will be pleased to grant his prayer.

And Memorialist shall ever feel bound to pray.
