PENSION DEPARTMENT.

Read—the following papers :—

From the President of the Local Fund board, Cuddapah district, dated 13th July 1883, No. 727.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 18th December 1883, No. A.D.J.-369.

Certified that, should Government be pleased to admit the medical certificate, dated 11 days after the applicant ceased to do duty, qualifying service in superior grades will be duly proved for 21 years 4 months and 2 days, and that an invalid pension not exceeding Rs. 6 per mensem, equal to one-third average emoluments, is admissible under sections 102 and 109 (*b*) of the Civil Pension Code.

2. Although a part of the applicant's service would seem to have been paid from Imperial revenues and a part from the Local fund, yet no portion of the applicant's pension due for the combined service need be borne by the latter. The entire amount of pension should be debited to "Imperial revenues" under G.O., No. 1719, dated 14th September 1881, Financial.

3. The delay in the disposal of the case is due to a reference which was made to the President, Local Fund board, Cuddapah, on the 24th July 1883, and the reply to which was received in this office only on the 3rd instant.

4. In accordance with rule 4, under section 130, the attention of Government is respectfully solicited to section 65 of the code.

From the Board of Revenue, dated 9th January 1884, Mis. No. 84.

Order—dated 16th January 1884, No. 40, Pension.

(6) six per mensem, payable at Cuddapah from 1st January 1883, in consideration of his qualifying superior service of 21 years 4 months and 2 days.

2. The medical certificate, dated 11 days after the applicant ceased to do duty, is accepted under section 128, rule 2, of the above code.

Certified that I have carefully examined Canooparthy Chellamaya, Son of Canooparthy Narrappah, 1st Class Vaccinator of Madanapally Taluq, Cuddapah District; his age is, by his own statement, 60 years, and by appearance, about 62 years. I consider Canooparthy Chellamaya to be completely and permanently incapacitated for further Service of any kind, or in the Department to which he belongs, in consequence of old age and infirmity.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Sir,

With reference to the Accountant General's letter No. $\frac{A.D.K}{69}$ dated 24th July last which accompanied your letter No. $\frac{846^{*}}{28-8-83}$, I have the honor to report as follows:—

* (Calling for certain information in connection with the pension application of late 1st Class Vaccinator Chellamayya of this Circle.)

With reference to objection No. 2;

The Service of the applicant has been verified from the records kept in the Office of the Vaccine Deputy Inspector of the Circle, and in that of of the President Local Fund Board Kurnul, and also by the Audit Registers of the Accountant General's Office.

As regards Objection No. 5.

As the applicant was incapable of performing his duty on account of oldage, he was permitted to retire from 1st January 1883 on condition of his producing a medical Certificate from the District Surgeon. An entry to this effect has been made in the Service Register under my signature as required.

As regards Objection No. 8

The applicant's last pay Certificate is herewith sent.

As regards Objection No. 12.

The applicant made his application through the Deputy Inspector that he be permitted to retire from 1st January 1883. He was accordingly permitted to retire on that date, and sent to Cuddapah on the 28th December 1882 for examination by the District Surgeon. The applicant seems to have delayed in going to Cuddapah as he appeared before the District Surgeon and obtained a Certificate on the 11th January 1883. This is the delay regarding which objection 8 was raised.

As regards Objection No. 23.

No such annual return as is referred to in this objection appears to have been submitted from this Office to the Accountant General from 1878 to 1880. In 1881, a detailed statement of the establishments under this Circle Board as they stood on 1st April 1881 has been prepared and submitted. In this statement, the applicant's name has been entered. In the 2 subsequent years 1882 & 1883, the submission of this return has been discontinued with reference to the letter No $\frac{\text{L.F.A.}}{39}$ dated 3rd May 1882 from the Inspector of Local Fund Accounts Madras with the Presi-dents footnote No $\frac{383}{6-5-83}$.

As regards Objection No 24.

The dates months and years of applicants various leaves of absence are exhibited in detail in page 2 of the application. The pensionable periods of service are shown separately from non pensionable service. As there is no record in this Office to verify the service claimed from 1st April 1878, the "abstract statement duly certified" referred to in the objection No 29 cannot be furnished from this Office. This statement may possibly be furnished by the Treasury Deputy Collector or the District Auditor.

The papers returned are herewith retransmitted as requested.

on a Salary of Rs 18 per Mensem. This appointment he held till the 31st December last, on the 1st January 1883 he was pronounced by the District Surgeon to be unfit for further Service on account of old age & infirmity. The District Surgeon states that the Vaccinator is about 62 years of age. He is reported to bear a good character. It was not found possible to verify his Service register from the records of this District. It was accordingly sent to the President Local Fund Board Kurnool for verification as the party had served for some time in Kurnool District. The list of Service furnished by that Officer is enclosed for reference. This was subsequently verified by the Audit Registers kept in your Office.
