GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—again G.O., dated 28th April 1884, No. 311, Pension.

READ—also the following papers :—

From T. MARDEN, Esq., Inspector of Schools, Fifth Division, to the Director of Public Instruction, dated Kodaikanal, 24th April 1884, No. 1221.

Adverting to my No. 1029, dated 5th April 1884, sending up application for pension, I have the honor to state that I overlooked the fact that, under section 63 of the Civil Leave Code, I am entitled to subsidiary leave on receiving permission to retire from the service. It was, therefore, incorrect on my part to enter the date "22nd April" as the date on which pension should commence. I therefore beg that this error may be corrected and that my pension may be made to commence from the next day after that on which my subsidiary leave (consequent on permission obtained to retire from the service) terminates.

2. As the date named in my pension application is already past and I have received no permission to retire, I am of course still on duty and must remain so until I am allowed to hand over charge to some one. In any case, therefore, the date "22nd April" mentioned above is now wrong.

No. O-61.

Forwarded to the Accountant-General for submission to Government with the remark that Mr. Marden was instructed by telegram on the 23rd instant to hand over charge of his office to his head clerk.

No separate orders of Government are necessary (*vide* section 64 of the Civil Leave Code, 6th edition). Mr. Marden's pension will commence from the date of termination of the subsidiary leave.

2. It is requested that any orders that may be passed on this report may be communicated to the Pension department, Government office.
