I have the honor to acknowledge the receipt of yours No 205 dated the 7th Instant, and to furnish you with the following information in the subject at issue.

1 The applicant Ramappan has no house name, but is known as Golla Ramappan.

2 On referring to the history of the Case

I find that applicant was removed
from the Department on the 31st July
1882 on which date provision for his
son having been made in this
Department, he absented himself
from the Station and submitted no
application for pension before the
10th January 1883, from which date down
to the 10th May 1883, the period was
occupied in obtaining verification
of his services partly from the Revenue,
and partly from the Post Office Department.

3 In accordance with the rules
he was made to appear before the Zillah
Surgeon Salem about the 29th May
83 and immediately after that
date, he left Kistnagherrie without
intimating his further residence
and could not be traced till August
1883. His presence during this
interval

was required, as the Medical Officer
wished to see him again with a
fresh descriptive Role. Accordingly
he was made to appear again before
the Medical Officer on the 28th September
1883. A Medical Certificate dated
8th October 83 having been granted him
of further unfitness, the application
for pension on his behalf was drawn
up, and submitted to the Post Master
General Madras. and under orders
from the Post Master General, it was
forwarded to you for disposal the first
time, on the 12th November 83 but was
returned on the 4th December 83 for
departmental settlement.

5 The application was accordingly
resubmitted to the Post Master General
with your letter of the above date,
upon

upon which the Post Master General
drew attention to the Accountant
General's Communication which
accompanied my letter returning
the Case again to you for disposal
dated the 16th December 1883, No 6184.
With reference to the absence of the
applicants name in the records of
the Accountant General, I beg to
observe that the annual returns
of District Post Establishment were
not prepared by the Postal Depar
for submission to the Accountant tment
General prior to 1881 from which
date the lists are in record with
the Post Master Salem.

You will observe from
explanation that the length of time
