PENSION DEPARTMENT.

READ—the following papers :—

From the Secretary to the Government of India, Military (Marine) department, to the Chief Secretary to Government, dated Simla, 3rd August 1883, No. 802.

Memorials.

From Government of Bombay, No. 265, dated the 22nd June 1883.
Statement of services.
Letter from Mr. Baddeley, dated the 4th April 1883, and enclosure.
From Government of Bombay, No. 167, dated the 18th April 1883.
Military (Marine) department, No. 1051, dated the 11th October 1882.
Military (Marine) department, No. 515, dated the 2nd May 1883.

With reference to Military (Marine) department letter, No. 515, dated the 2nd May 1883, I am directed to forward, for the consideration of His Excellency the Governor in Council, the papers noted in the margin, relative to a memorial from Mr. H. D. Baddeley, late of the Bombay Marine, now a fourth-grade inspector in the Salt department, Madras.

2. It is observed that this memorial, which was forwarded to the Government of Madras with the letter quoted above, was sent on to the Government of Bombay with the remark that the case had been sent to Madras by the Government of India through inadvertence.

Government of Madras, letter No. 493, dated the 2nd June 1883.

3. I am now to explain as follows :—In 1882, Mr. Baddeley submitted a memorial through the Government of Bombay to the Secretary of State asking amongst other things to be re-appointed to the Marine, and this memorial was returned, as it did not appear that Mr. Baddeley had previously memorialised the Local Government (*vide* Military (Marine) department, No. 1051, dated the 11th October 1882).

Mr. Baddeley then submitted a memorial to the Government of Bombay, which was transferred to the Government of Madras, under whom the memorialist was serving, as it should have been submitted through the Government of Madras, and not that of Bombay. Moreover, though Mr. Baddeley details his services in the Bombay Marine, he does not repeat his application for re-appointment, but prays that the breaks in his service may be condoned, and that his service may be permitted to count wholly or partially for pension, or that some special leave may be granted him in consideration of the good work he did in the Madras famine, to enable him to get a change to England—all of which are matters for the consideration of the Government of Madras.

4. I am accordingly directed to again return the memorial for submission to His Excellency the Governor in Council.

Copy forwarded to the Secretary to the Government of Bombay, Marine department, for the information of His Excellency the Governor in Council.

ENCLOSURE.

Letter from the Secretary to the Government of Madras, No. 493, dated 2nd June 1883.

Forwards copy of a letter addressed to the Madras Government by the Government of India, No. 515, dated 2nd May last, forwarding, for orders, copy of this Government resolution, Marine department, No. 167, dated 18th April last, with a memorial from Mr. H. D. Baddeley, late of the Bombay Marine, praying that certain breaks in his service may be permitted to count for furlough or pension, and states that the papers have been forwarded to Madras by the Government of India through inadvertence.

Letter from the Director of the Indian Marine, No. 2532, dated 13th June 1883.

Forwards a statement of the services of Mr. H. D. Baddeley, late of the Bombay Marine, compiled from squadron orders recorded in his office.

Resolution.—Under Government resolution, No. 448, dated 21st September 1882, a memorial addressed to the Secretary of State by Mr. Baddeley, late of the Bombay Marine, and at present employed under the Madras Government as a fourth-grade inspector in the Salt department, was forwarded to the Government of India for disposal, as the memorialist prayed for the condonation of the breaks in his service, and the re-instatement in his former service in the Bombay (now Indian) Marine, or the grant of some appointment better paid than his present one.

2. The Government of India in Secretary Colonel Chesney's letter, No. 1051, dated 11th October 1882 (Government resolution, No. 506, dated 24th idem), returned the memorial to this Government, with an intimation that it could not be sent to the Secretary of State as it did not appear that Mr. Baddeley had previously memorialized the Local Government or the Government of India on the subject of the memorial.

3. Mr. Baddeley having been informed accordingly, he, in April last, submitted a memorial addressed to this Government, which was forwarded * to the Government of India for consideration, but it now appears that that Government sent the memorial on to the Madras Government, presumably for verification of the statements therein made regarding Mr. Baddeley's services in the Madras Salt department, whilst the Government of Madras now return it to this Government, with an intimation that it was sent to Madras through inadvertence.

* Government resolution, No. 167, dated 18th April 1883.

4. It is not apparent what action this Government can take on the memorial in question, but as it was deemed necessary to ascertain, for the information of the Government of India, the correctness of the statements made by Mr. Baddeley in regard to his services in the Bombay Marine, a reference was made to the Director of the Indian Marine, who has furnished a statement showing Mr. Baddeley's services.

5. The memorial, with accompaniments as received from the Government of Madras, should therefore be returned to the Government of India, with the facts of the case as above detailed, with an intimation that beyond furnishing the information regarding Mr. Baddeley's services in the late Bombay Marine as per statement received from the Director of the Indian Marine, it does not appear that any action can be taken by this Government on the memorial.

6. The Madras Government to be also informed.

From the Commissioner of Salt Revenue, dated 18th September 1883, No. 11386.

Abstract.—Enclosing an extract from the service register of Mr. H. D. Baddeley showing his service in the Salt department, and stating that information regarding his famine service will be furnished on his return from leave.

From the Commissioner of Salt Revenue, dated 9th November 1883, No. 12977.

Abstract.—Forwarding a list showing the famine and other services of Mr. H. D. Baddeley, Inspector, Salt department.

Order—dated 19th January 1884, No. 43, Pension.

Mr. Baddeley will be informed that the Government have no knowledge of the circumstances under which he resigned his position in the Bombay Marine, and are not prepared to support his prayer for the condonation of the break in his service between such resignation and his appointment to the Madras Salt department. As Mr. Baddeley was not in the permanent service of Government when he was employed on famine duty, but was specially engaged for that particular duty, he is not entitled to any special concession on account of famine services.

REVENUE DEPARTMENT.

Pension No. 935

From The Govt. of India

Dated 3rd. August 1883.

FOR ORDERS.

The history of this memorial is given the letter of the Govt. of India.

It seemed Mr. Baddeley chiefly complained of the "harsh treatment of the Bombay marine authorities whereby his prospects had been ruined utterly".

However the Bombay Govt. will have nothing to say to the memorial & the Govt. of India send it here for disposal of Mr. B's other requests, viz:

(i) that the breaks in his service may be condoned & his marine service at Bombay allowed to count for pension.

(ii) that he may be given special leave for famine services to enable him to go home to England.

As to (i) sec: 135 of the Civil Pension Code lays it down that such questions shall not be discussed or settled till an officer actually retires unless there are special reasons.

Here Mr. Baddeley, however ill advisedly, did resign the service in Bombay & resignation entails forfeiture of past service (sec: 97 C. Pension Code). There may be special circumstances but the Bombay Govt. refused & now refuse to have anything to say to the matter & throw the onus on this Govt. who thus have absolutely no option but to follow the rule & perhaps to avoid disappointment Mr. B. might be told so now.

As to (ii) it is submitted Mr. Baddeley should be told to bring his application within any rule framed for the benefit of famine officers when Govt. will be prepared to consider his request on the merits, though it is highly improbable at this distance of time that they will be able to do anything for him. I think we should call by O.M. to Mr. Bliss for Mr. Baddeley's service book, or a statement of his services during the famine & since. We can then see whether he is entitled to any famine concession. If he is, he can get it now.

No. 1099 of 83

Sir

Under Secretary's orders requested if the order on Mr. Baddeley's case should go to Govt. of India and Bombay for their information.—

T. M. G.

Immediately

R

Cnd. 1099 & 1299.

For orders.

These are replies from the Salt Commr. to our C no 935. (Mr. Baddeley's petition). Mr. Baddeley's services appear to have been as follows.

Bombay marine.
6/10/73 to 7/6/77

Famine temporary special officer
20/7/77 to 31/12/78.

Salt Dept. temporary.
21/8/80 to 1/10/81.

Do. permanent.
1/10/81. to date.

This information appears to have been called for in order to determine whether Mr. Baddeley was entitled to any famine concession or not. But it is submitted that, whatever his services Mr. Baddeley as a merely temporary famine officer, specially engaged for a

Special purpose, could not be entitled to any concession or to any other reward than the pay for which he was engaged. It is certain that he could not have claimed or been granted any leave under the Civil Leave Code and ~~it is~~ although the Resolution of 10th August 1878 does not expressly say so, it seems clear from its wording and from the nature of the concessions that it was intended to apply only to men permanently in the service of Government. It will be seen too that in the list of officers eligible for the concessions forwarded with G.O. 31. July 1879. no 1599-A. no temporary officers were included.

With regard to his prayer to have the break in his service between his quitting the B'bay marine & entering the Madras Salt Department, it seems clear that as this Govt. knows nothing of the circumstances under which he resigned ~~quitted~~ the former, it is not in a position to support the request. Mr. Baddeley speaks of harsh treatment by the Bombay marine authorities but even his ~~petition~~ memorial contains no definite allegation ~~of an~~ or description of such supposed harsh treatment, and in any case it is not a matter which the Madras Govt. can consider. Suggested

Order thereon 19: Jany/80 No. 43. 48

Mr. Baddeley will be informed that the Govt. have no knowledge of the circumstances under which he resigned ~~the~~ his position in the Bombay marine, and are not prepared to support his prayer for the condonation of the break in his service between such resignation and his appointment to the Madras Salt Dept. As Mr. Baddeley was

I don't think we can do anything for him but circulate

Right I think but why does this paper come up straight from an Under Secretary. It should go to the Secy.

not in the permanent service of Govt. when he was employed on famine duty, but was specially engaged for that particular duty, he is not entitled to any special concession on account of famine services.
