His age is by his own statement 60 years and by appearance about 60 years I consider

Kancherla Venkatarungam to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of old age.

His incapacity does not appear to have been caused by irregular or intemperate habits. He has not been under general Medical treatment

FROM

The COLLECTOR OF NELLORE

To The Accountant General
Madras.

SIR,

I have the honor to return
your No. A.D.K. dated 2nd Instant
with its enclosures as desired and to
give below the information required
on the several points therein noticed.
(7) The signature of the head of the
Office has been obtained in the ap-
propriate column on the 1st Page
of the service register.
(9) The delay of nearly 6 months in
submitting the Pension application is
due to the following causes:-
The letter from the Head Assistant
Collector recommending the Pension

was received in this office on 19th December 1883, without a medical certificate, under the impression that the applicant had served Government for nearly 35 years and that such a document was not required.

In verifying his services in this Office it has been found that the man was below 60 years in age and that therefore a medical certificate of his unfitness for further service was indispensable - before he could be recommended for Pension.

On 5th January 1884 this omission was pointed out to the Head Assistant Collector with a request to order the Shroff to appear before the Zillah Surgeon in view of obtaining the necessary certificate, which was received in this office on 23rd February 1884.

As the certificate showed that the Shroff was physically unfit for further service, the entries in the service register were all verified.

in this office with reference to the Pay abstracts for 35 years and the Pension application, submitted to you on 10th April 1884.

(12) This is explained by the particulars given against (No 9), which make it clear that the Head Assistant Collector inadvertently removed the man from the Public Service before obtaining the medical certificate of his unfitness as required in section 103, C. P. C. 5th Edition.

(24) The pension application is altered as required by section 94 of the Code. It is observed that the services were in the first instance classed as Superior with reference to No 18 in the list of appointments under section 90 of the Civil Pension Code 5th Edition, as the applicant was 2nd Shroff of Nellore
