His Excellency the Most Noble the
Governor General of India
in Council.

The humble petition of the under-
signed inferior servants of the public
Offices at the Madras Presidency.

Most Humbly Sheweth:-

That your excellency's
humble petitioners venture respectfully to
submit this, with a hope that your Excellency
will be graciously pleased to take into your
generous consideration, the subject matter of
their prayer, and to remedy their grievances.

That Petitioners presume
to respectfully to represent that they are employed
in different public Offices in different capa-
cities as noted in the margin on pay exceeding
Ten Rupees a Month, while so, they find
that they are classed by the rules of the Civil
Pension Code as inferior servants, and there-
by allowed to obtain only a maximum Pension
of

Rs. 15-0-0

of 4 Rupees a month, when they retire after
a service of 20 years. That what your pe-
titioners most humbly crave your Excellency
is to consider, whether they, who are on receipt
of, pay exceeding 10 Rupees per mensem, &
be excluded from obtaining a pension ~~for~~ a moiety
of their salary. That although the Offices,
which petitioners hold, bear an inferior designa-
tion, yet the duties of their work are really such
as are ordinarily performed by superior servants,
who get pension to half of their pay.

That in the case of Baliffs
of the Madras Court of Small Causes, their
service is counted as a superior one, though
their regular duties are not of more tedious
nature than those of petitioners.

That the petitioners humbly
trust, that the rule by which the servants, who
have been entitled to a maximum pension of
4 Rupees a month, ~~may~~ be made applicable
only to those who get a pay of Rupees 7,
or 8, or a sum not exceeding 10 Rs., but not
to those like petitioners, who respectively draw
pay of Rs. 15, 12, 10 &c.

That your Excellency is
not unaware that the grant of maximum
pension

pension of 4 Rupees a month, will not be an adequate ^{SK} pittance to enable petitioners, when they retire from the public service, to support themselves and their ^{poor} family. Petitioners on their retirement, will not be able to earn anything by labor, as they might have been, then completely and permanently incapacitated to do so by old age.

That under the above circumstances, petitioners venture respectfully to solicit your Excellency will be pleased out of your infinite mercy to modify the pension rule, so far as it concerns them, and thereby view them to be entitled to obtain pension to a moiety of their consolidated pay, or in some other way as your Excellency may deem proper.

That in conclusion petitioners beg to be pardoned for intruding upon your Excellency's valuable time

For which act of charity your Excellency's Petitioners shall ever pray for your Excellency's long life and prosperity.
