His Excellency The Right
Honourable The Governor in
Council. Fort St George
Madras.

Most humbly sheweth

That the Petitioner Chilly Venkata-
ramadors (late Sub-Inspector of Salt factory Calicutapata)
with much profound veneration, begs to forgive him
for intruding upon your Excellency's precious time in
bringing a few following lines into your Excellency's
benevolent consideration

That though the Petitioner
was in perfect good health and apt for further
Service he was forced by the then Asst Commissioner
to produce a Medical Certificate about his physical
fitness; accordingly he attended the Mullah Surgeon
and was unfortunately certified that he was unfit
for further Service in consequence of Debility and
defective eye Sight as the Petitioner was then suddenly
attacked with an epidemic eye disease and was weakened
owing to the unpunctual and improper meals. Upon
that the Petitioner had been favoured through G.O.
No 309 Dated 18th April 1883 with an invalid
gratuity of Rs 180 in consequence of a few months
difficiency to make up one third pension.

That the Petitioner in conclusion
humbly beseeches your Excellency's Sympathy on
a poor and long Serviceable Subject, in reappointing
him in his former capacity as he is well fitted

for further Service and able enough to reproduce a
fresh Medical Certificate if required as to his present
physical fitness so as to prove his above statement and
he further solicits your Excellency to approve his further
service at least to complete the service which would enable
him to receive his one third pension as he is not yet
drawn the above gratuity.

26th April 1884 For such act of charity the Petitioner will
as in duty bound ever pray. He begs to remain

~~Yours very truly~~ Your Excellency's most devoted
~~and obedient servant~~ and Obedient Servant.

Order.

The Govt. are unable to comply with the petitioner's request.

Order.

Pet. was granted a retiring gratuity more than a year ago, and retired on the 27th August 1882, being certified to be completely & permanently incapacitated for service.

His request to be reinstated in the service is stated in the ground that he has recovered his health, & which he adduces no evidence. In any case, he could not be reinstated after so long a time has elapsed. That he was incapacitated at the time of his retirement is clearly beyond doubt.

Order.

It might perhaps be told that he cannot get his old post back, but that he may if he can produce certificate of medical fitness & seek re-employment elsewhere. He only wanted 5 months in pension service.
