To The Superintendent Lunatic

Meares
Respected Sir,

In my letter of 15th October 83 I requested the Accountant General Meares either to move the Government to reconsider my deplorable case to pass a favorable order or to inform the Circumstances under which he was led to report my case as first of its kind; that officer in reply stated that he was not disposed to move the Govt. further in the matter, but as for the information that I ought to get in need of should be applied through the head of the office under whom I last served.

With reference to the latter part of his reply and in continuation of my petition of 15th instant to your address I respectfully beg to request that you will be pleased to ascertain from the Accountant General Meares, information sought for on the following points and communicate to me the original or the copy of his reply

reply thereon.

1. To inform the circumstances under which that officer was led to report my Case as first of its kind as if he had no precedents, which fact would have misled the Govt. when passing orders in my Case and his report embodied in G. O. 956 of 10 October 1882.
2. To inform whether the Dhoby Class of service has ever been admitted under pension rules.
3. To inform the difference, if any, to Count towards pension between the service of Dhoby attached to Lunatic Asylum and that of Ahloo. Ahloo is a Dhoby by inferiority marks whose service has already been admitted under pension rules.

To. J. F. Hogston Esquire
Accountant General
Madras.

Sir,

I beg most respectfully to
bring to your honor's notice the
circumstances stated below and
request you may be pleased either
to move the Government ^{once more} to
pass a favorable order ~~on consideration~~
or to reply to me in the circumstances
under which my service was reported
as first of the kind as if there was no
precedent.

With reference to G.O. No 956
of 10th October 82 communicated to me
by the Supdt of Lunatic Asylum
I most respectfully beg to state
that ^{there} was no mention of the ground
on which my service in the capacity
of

Why this; the service of Shoby was already been brought
under pension rules.

of Shoby being treated as non-
pensionable, that it was stated
that the Government have not
disposed to bring the service of the
applicant to class under pension rules.
It is apparent from your report to
Government and the order of
Government there on that my case
was dealt with as first of the kind,
and accordingly Government have
passed an unfavorable order inconsis-
tent with those of previous ones.
One fellow Abboos a relative of
mine who served as Shoby in the
Eye Infirmary Maras was granted
a gratuity for less number of years
rendered by him ⁱⁿ the capacity of Shoby.

Under these circumstances
I beg to request that your honor
will be pleased to move my deplorable
case to Government to pass a
favorable order or to inform the
circumstances under which my
Case.

Case was reported as first of its kind.
as if there was no precedent which
circumstances I think might have misled
the Government when passing orders.

Had the ground on which
my claim for pension being negatived
been given in the your report to Govt.
or in the original order. I would not
have ventured to give you the trouble,
but my further appeal to the Secretary
of state for India being most desirous
in the absence of any of the requisitions
asked for, I beg that I may be favored
with, without any objection.

I beg to remain
Sir

Your most obedient servant

pension in my old age. I am suffering from want

I represented in my petition of the 15th October 1883,
