GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

G.O., dated 3rd March 1884, Mis. No. 543, Judicial.

From J. A. DAVIES, Esq., Acting Registrar of the High Court of Judicature at Madras, Appellate Side, to the Chief Secretary to Government, dated Madras, 7th March 1884, No. 820.

In reply to the Proceedings of Government, dated 3rd March 1884, Mis. No. 543, requesting to be informed if there is no chance of Mr. Melson, head clerk and nazir of the District Court of North Tanjore, being re-employed elsewhere on the abolition of the court at Tranquebar, I am directed to state that the High Court is not in a position to furnish the information required.

No. 640.

Transferred with current No. 744 to the Pension department.

From H. F. CLOUSTOUN, Esq., Accountant-General, Madras, to the District Judge of North Tanjore, dated Fort St. George, 16th February 1884, No. I.A.E.-341.

Pension department.

In returning, herewith, the application for pension and the service book of Mr. R. A. Melson, received with your letter No. 43, dated the 25th ultimo, I have the honor to state that the services of Mr. Melson from 5th January 1869, as detailed in the second page of the application, have been verified, partly from the audit registers and partly from the annual returns on record in this office, and found to be correct.

2. As regards the applicant's service rendered in the Registration department, I beg to state that from a perusal of the orders sanctioning the appointment of clerk, which he is shown to have held from January 1867 to 4th December 1868, the appointment does not appear to be one which can carry any claim for pension. I would, however, suggest that a reference on the subject be made to the Inspector-General of Registration.

3. I presume that all periods of the applicant's absence on leave have been accurately entered in the service book.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 12th June 1884, No. A.D.J.-103.

Certified that qualifying service in superior grades has been duly proved for 13 years 4 months and 10 days, and that a compensation gratuity not exceeding Rs. 1,200, equal to 12 months' pay, will be admissible under sections 104 and 113 (a) of the Civil Pension Code: provided that Government are satisfied that the saving effected by the recent organization of the Judicial department, owing to which the applicant is about to lose his appointment as head clerk and nazir of the District and Sessions Court, North Tanjore, can admit of the grant of the compensation gratuity recommended above.

2. It is to be observed that the applicant has not yet retired from the service; and the District Judge says that the statement of his services prepared up to the end of March 1884 was in anticipation of the abolition of the District Court on the 1st April 1884. The procedure is, however, irregular, and is opposed to the provisions contained in rule 1, section 130, of the code. But, keeping in view the circumstances explained by the District Judge in his reply to the reference made by this office in letter No. A.D.K.-4, dated 9th April last, the application has been admitted as a special case, and has accordingly been disposed of.

3. With regard to the District Judge's recommendation that the interruption in the applicant's service, amounting to 1 year 10 months and 16 days, caused by the abolition of appointment in 1876, should be condoned, or that he should be allowed to count the period of service in the Registration department as qualifying for pension, in order that he may become entitled to a pension equal to one-third of his average emoluments, it is pointed out that the recommendation is one of a kind which cannot be accepted without a previous reference to the Government of India.

4. In the event of a gratuity being sanctioned, it should be made payable to the applicant on production of a certificate that his normal prospects of life are good.

5. In accordance with rule 4, under section 134, the attention of Government is respectfully solicited to section 69 of the code.

ORDER—dated 12th July 1884, No. 605, Pension.

The Government observe that the District and Sessions Court of North Tanjore will not be abolished until the 15th September 1884. The present application should then be renewed.

Sir,

With reference to your endorsement M No 494 dated 16 April 1884 on the Accountant General's letter N^o 156K dated 9 April 1884, I have the honor to state that the only records in this office from which any information could be gathered regarding the service of Mr Romulus Alfred Nelson in the late Registrar's office, Tranquebar from January 1867 to 4 December 1868 is the Acquittance Roll book maintained by the late Registrar of Tranquebar. It appears therefrom that R. A. Nelson was first entertained in the office in May 1866 and that he has been employed up to December 1868. He has drawn at the rate of 12 Rs up to February 1867 and has thence forward received Rs 14. For the month of December 1868 he has received only Rs 2. 3-1 which is the salary for the 1st 4 days of the month evidently.

2. As regards the 2^d query, I have the honor to state that the service in question is not pensionable under section 24 of the Pension Code. The Registrars were then allowed a contract establishment allowance and

and to them was left the discretion of entertaining any establishment that they choose. This is evident from the annexed extract from Colonel R. M. Macdonald's letter to Government on which was passed the Government Order No. 240 dated 11 February 1874.

3. "Witherto the Registrars have been at liberty to expend their office allowance in any way they like, merely furnishing statement of the expenditure and being held personally responsible for all arrears. Sir,

In returning herewith the application for compensation pension on behalf of Mr. T. A. Nelson, Head Clerk and Nazir of the District Court which accompanied your letter No. $\frac{A.D.K.}{4}$ dated 9th ultimo, I have the honour to furnish you with the following information with reference to the several enquiries made therein.

No. 4 — The applicant does not appear to have taken any kind of leave other than that entered in his Service Register.

No. 7. 17. 19 & 36 — The information required has been entered in the appropriate places.

No. 16 — The appointment of 4th writer in which the applicant was acting from 5th December 1868 to 4th January 1869 was fully vacant and no person save the applicant counted service in it during that time.

No. 20 — As the application is for compensation pension and not for gratuity, the required certificate has not been sent.

No. 35 — The applicant has not yet retired from the service and the statement of his services prepared up to the end of March was in anticipation of the abolition of the Court on the 1st April 1884. In consideration of the great hardship the applicant will be

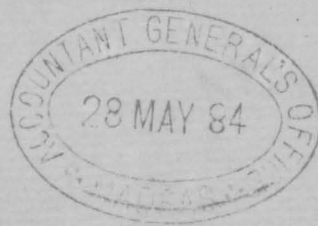

put to by the second abolition of the Court, he having been once thrown out of employ by the abolition of this Court in 1876, special application was made to Government on his behalf. To entitle him to a compensation pension Government was asked either to condone the interruption in his service caused by the abolition in 1876 or to allow him to count his service in the Registration Department as qualifying for pension. A copy of a letter since received from the Registrar of Tanjore verifying his service in the Registration Department is herewith forwarded.
