Remarks by Examiner, P. W. Accounts.

Not verified from either the Audit registers of this Office or from records in the Divisional office owing to the omission therefrom of the names of incumbents in inferior grades. The periods have, however, been classed as qualifying inferior service on the strength of the applicant's affidavit, and Statements of 2 contemporary servants. The periods during which the applicant was on authorized leave including the period from 1st August 1876 to 7th October 1876 when he held the appointment of Head Cooly on leave with substitute, have also been classed as qualifying inferior Service with reference to Section 98 and rule 2 Civil Pension Code.

In para 1 of letter No 809 dated 6th April 1884 addressed to the Superintending Engineer 4th Circle (copy enclosed) the Executive Engineer of Coimbatore Division states "that it is evident that the applicant was con-"firmed in his appointment (Lascar) after a short trial, but the formal order "confirming him in the appointment was never reduced to writing, and "under these circumstances the applicant's services from 8th October 1874 to "31st July 1876 have been classed as qualifying with reference to rule 3 Section 74 Civil Pension Code (6th Edition) vide also that Officer's letter No 1196 dated 21st May 1884 to the Superintending Engineer 4th Circle (copy enclosed) —

*Cannot be verified from the Audit Registers of this office owing to omission therefrom of incumbents in inferior grades, but stated to have been verified from Salary bills in the Divisional office vide remarks in Column "How verified" on page 2 of the gratuity application. The period has been classed as qualifying inferior Service.

The applicant's services were dispensed with on the afternoon of 20th April 1880 owing to reduction of Establishment ordered by Government.

The delay in the submission of this gratuity application is explained by the Executive Engineer Coimbatore Division in his letter to the Superintending Engineer 4th Circle No 1199 dated 22nd September 1883 (copy enclosed)

Sir,

In submitting the final gratuity application on behalf of late Lascar Diogo D'sa called for in your Office Memo No. 668/Wc of 13th October 1881, I have the honor to state that I am unable to afford any explanation for the extraordinary delay that has taken place in submitting this application. I find from the records of this office that after the West Coast was amalgamated with the Coimbatore Division it was more than once that the papers connected with the application were called for and the Sub Divisional Officer South Canara was unable to obtain them from the lascar not knowing his whereabouts. The papers called for were once received but as they were in an incomplete state they had to be returned. I have been able to get the papers only in this week and the gratuity application has been at once got ready.

The lascar's correct name is Diogo D'sa and not Domingo D'sa as was entered in your office memo quoted above. I presume it is a clerical error as no lascar of the latter denomination was ever employed in the Department in South Canara till the 20th April/80.

In returning herewith the gratuity papers of Diogo D'Sa received with your endorsement No. 308 dated 10th December 1883, I have the honor to request that you will be good enough to explain the circumstances under which the applicant's services as Ag: Lascar from 8th October 1874 to 31st July 1876 have been classed as qualifying. If he was confirmed in his appointment, the fact should be stated, supported by such original documents as may be available; otherwise, his qualifying service for pension will only commence from 8th October 1876, and as he will in the latter case, have rendered a qualifying inferior service of less than 5 years, no gratuity of any kind would be admissible under Section 117 (a) of the Civil Pension Code –

Copy of letter from the Executive Engineer Coimbatore Division to the Superintending Engineer 4th circle - Coimbatore No. 809 dated 6th April 1884

With reference to your endorsement No. $\frac{822}{C.J}$ of 24th December on Examiner's letter No. 314 S.C.4th of 20th Idem (herewith returned) I have the honor to state that a careful search was made among the records of the South Canara District, but the order confirming Diogo D'sa as Lascar is not forthcoming. From the documents noted in the margin (these are the only papers on the subjec available in the records) it will be seen that on 8th October 1874 Lascar Joseph Souza resigned an in his place Diogo D'sa was appoint as lascar on probation. From November 1874 to June 1876 there were no changes in the Overseer's Establishment. In July 1876 Diogo D'sa took sick leave and i entered

entered as Lascar as also in all subsequent Memoranda of changes in Office Establishment. Vide papers accompanying. Therefore it is evident that the Lascar was confirmed in his appointment after a short trial, but the formal order confirming him in the appointment was never reduced to writing

2. Under these circumstances his service from 8th October 1874 to 31st July 1876 was classed as qualifying

3. The papers received with your endorsement under reply are herewith returned.
