No. 950. Kistna District, Sub Collector's
Office, Guntur, dated 2nd
December 1883.
Despd. 8th December 1883.

From, J. Thomson Esquire,
Acting Sub Collector, Kistna

To, The Acting Collector,
Kistna District.

Sir,
I have the honor to reply to your
endorsement to $\frac{1081}{11-4-83}$ on Government
Proceedings $\frac{344 \text{ R.O.}}{29-3-83}$ referring for report a
petition from B. Govindu Saik of Guntur.

2. The delay has arisen in tracing the
man's services. A list showing them so
far as obtainable from the records
is annexed.

3. The Prattepad Taluk pay sheet
of August 1847 represents him as having
27 years service then. Two old people
who were in service before him in the old

police, one of whom is a pensioner, say
he commenced his service in Mr. Whist's
time. One of these two and three others ^{Mr. Whist was}
speak to his services in the (old) Martur ^{Collector of Gunter}
Talug. There is a blank between Septem- ^{from October 1821}
ber 1849 and February 1851. He was ^{to June 1825 from}
dismissed from the Office of Naik of ^{August 1825 to}
Kondavid Talug by the Joint Magistrate's ^{April 1827 and}
order of 23rd January 1860 the reasons ^{from October 1828}
given being drunkenness and absence ^{to July 1831.}
from duty, but in September 1861 he
was again entertained as a peon in
Vinukonda under the Sub Collector's
order of 12th September 1861. By the
Deputy Magistrate's order of 25th April
1862 he is made a Naik of Martur
Division and a substitute appointed
for him in Vinukonda which sub-
stitute draws pay till July 1862,
but there is no record of him in

92
Martur backwards. For 9 of the years
September 1864 to September 1881 when
he served in the Gunter Munsif's
Court as batta peon he received only
batta and for the remainder he received
Rs 6 per month. His services were
dispensed with from his inability to
serve further. He is himself unable to
give proper detail of his service.

4. I have made enquiries of his
present circumstances. He has no pro-
perty, a small house worth about
Rs 30, or 40 he made over to a woman
on her agreement to take care of and
feed him. She maintains him and
herself by cooly labour. He has no
relations.

5. If Government can be compas-
sionate their bounty will not be

ill bestowed on him.

I have &c.

Submitted with list of service to Government with reference to their order, 29th March 1880 No. 344, R.P.

2. B. Govindu Saik's petition to Government is returned.

3. Petitioner was dismissed the service on 23rd January 1860 for drunkenness and absence from duty.

He accordingly forfeited his previous service dating from about 1821. Section 97 of the Civil Pension Code.

Subsequently in September 1861 he was re-employed as Police peon in Vinukonda Taluk which post he

11
held until April 1862. Service from then upto September 1864 is not verified from records. An order of the Deputy Magistrate of 25th April No. 73 says, however, that Govindu was appointed Police Saik of Martur Division for a month. But this fact is not borne out by pay bills &c.

In 1864, he was made a process peon in the District Munsifs Court at Guntur and received only batta as such upto 1873: and pay at Rs 6 per month from thence upto 1881. The former period does not apparently qualify for pension: and it is not known whether the transfer to non-qualifying service in the Judicial Department was made agreeably to the provisions contained in exception C

under Section 9 b.
