Certified that I have carefully examined *Namasauumi Kaicko No. 346* son of *Sunjiuraya Kaicko* a *2nd Class Constable* in the *Police Department*. His age is, by his own statement, *52* years, and, by appearance about *56* years. I consider *Namasauumi Kaicko* to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of *General Debility*. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

346	Constable	William White	56	General Debility	This man was sent to the Police Hospital, Bushdore, by the Superintendent of Police, South West District, on the 6 th June 1884, who considered him unfit for further service. He is old and worn out from length of service and suffers from general debility and great prostration of nervous power. As I consider that he will not derive benefit from change of air or further treatment in Hospital, I recommend that he be transferred to the Pension Establishment. Disease contracted on general service & not the result of his own imprudence.	Has been under treatment for 9 days. Not likely to benefit by further treatment.
