25TH AUGUST 1884, No. 820, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From the Inspector-General of Police, dated 5th July 1884, No. 3742.

Certificate and report from W. T. PIERCY, Esq., Assistant Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 26th July 1884, No. A.D.J.-185.

Certified that (subject to the remarks below recorded) qualifying service in superior grades has been duly proved for 19 years 3 months and 25 days, and that an invalid pension not exceeding Rs. 2-10-11 per mensem is admissible under sections 106 and 147 of the Civil Pension Code (6th edition). The calculations have been duly verified. It will be seen from the history of service that the applicant on the 1st April 1882 was transferred from the Police department to service in the Salt department with the designation of his appointment being changed from second-class constable "to second-grade peon." It is not known whether the transfer and the change in the designation of appointment should be held to give the applicant a title to continue to reckon his service in the Salt department towards pension on the superior scale. Assuming that it is not, and that the service in the Salt department should be treated as counting towards pension on the inferior scale, this office has excluded the applicant's service rendered in that department, and has recommended him for a pension equal to an amount that would have been admissible to him had he retired from the service on the date of transfer to the Salt department. If it be held that the applicant's service in the Salt department should also be regarded as superior, the total period of pensionable service would be raised to 19 years 11 months and 22 days.

2. The delay in the submission of the application is explained by the Commissioner of Salt Revenue in paragraph 3 of his letter, No. 4475, dated 11th June 1884.

3. In accordance with rule 4, under section 134, the attention of Government is respectfully solicited to section 69 of the code.

ORDER—dated 25th August 1884, No. 820, Pension.

Under sections 106 and 147 of the Civil Pension Code (6th edition), the Right Honorable the Governor in Council is pleased to grant to Kanishen Coonhamboo, late peon, Tellicherry circle, Salt Revenue department, an invalid pension of Rs. (2-10-11) two, annas ten and pies eleven per mensem, payable at Tellicherry, South Canara district, from 28th November 1882, in consideration of his qualifying superior service of 19 years 3 months and 25 days.

2. The great delay in the submission of this application is most unsatisfactory.

Central Division, in reply to this office reference on the subject, reports that the two names apply to one and the same person, the word "Janikar" being a Caste distinction, and that the certificate granted by the Zillah Surgeon cannot be altered as that officer has left for England.

3. The excessive delay which has occurred in the submission of this application is chiefly due to gross neglect on the part of the late Inspector Mr. Sheppard, and partly to the references which had to be made to local officers in connection with the verification of the applicants' services.

4. The Pension application is forwarded through the Inspector-General of Police as desired by the Accountant-General in para 3 of his Pension Department letter No. ¹⁴² 354 dated February 28, 1884.

There can be no doubt
that a 2nd grade salt

servant. consequently
his service in such
cannot be counted.

The great delay
