PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read - the following papers: -

Proceedings of the Board of Revenue dated 21 June 1884, No. 5620, on letter from the Ag. Collector of Anantapur, dated 9 June 1884, No. 230.

Referring to G.O. No. 318 dated 28 April last, sanctioning a monthly pension of Rs. 100 to Mr. P. G. A. Kesava Rao Gann, late Tahsildar of Tharmavaram, with effect from 1 January last, I have the honor to bring the following circumstances to the notice of the Board of Revenue in view to Government being addressed on the subject.

2. A. Kesava Rao Gann delivered over charge of his office in the forenoon of the 1st January 1884, having been ordered by the Collector to retire. He reassumed charge thereof on the forenoon of the 13th March, on being restored to office under G.O. No. 4353 dated 28 February last. He was thus out of employ from 1 January to 12 March (inclusive) and drew no allowance for that period.

From

From 13th March to 21st May last the period during which he continued in office up to the date of his relief under the G.O. quoted in para 1, he drew pay as permanent Tahsildar at Rs. 200 a month.

3. The Accountant-General, to whom a reference was made on the subject of Kerao Rao's pay for the above period of reinstatement, is of opinion that the sanction of Government must be obtained in order to an alteration of the date of the commencement of his pension from 1st January to 22nd May 1884, the date of his final relief from service. But this (it would appear) may deprive him of any allowance for the period he was out of service, i.e. for the period intervening between the date of his retiring and reinstatement.

4. Kerao Rao, accordingly, has asked that this period may be treated as Privilege leave (to which he was entitled) but here he gains very little, as for the first 30 days of the period, Rs. 125 were already paid out of his pay (Rs. 200) in the shape of acting allowances to those acting for him in the arrangements.

Clearly

5. Clearly then, in order to enable him to draw full allowances from 1st January to 12th March and thereafter up to 21st May (in spite of the Prohibition contained in section 185 of the Civil Service Code 6th Edition) it becomes necessary to obtain the special sanction of Government to the payment of his full leave allowance for the first thirty days of the period from 1st January to 12th March inclusive (this period being treated as an absence on Privilege leave) in addition to the deputation allowance already paid for this time to those who acted in the arrangement, the deputation allowance granted to these persons for the period over 30 days being already admissible under Rule 5(2) of the Pay and Acting allowances Code.

Resolution

Submitted, through the Accountant-General, for the favorable consideration of Government.

Letter from the Accountant-General dated 4th July 1884, No. 2146.

In

In forwarding Proceedings of the Board of Revenue No. 5820 dated the 21st June 1884, submitting letter from the Collector of Anantapur No. 230 dated 9th idem, on the subject of the Superannuation pension of Rs. 100/- per mensem granted to A. Kesava Rao, late Tahsildar of Dharmapuram, from 1 January 1884, Govt. Order No. 318 dated 28 April 1884 Pension Dept. I have the honor to state that, as Kesava Rao was re-instated in his post on the 13th March 1884 and continued in office, and drew pay from that date upto 21 May 1884, it is necessary that the date from which the pension is to begin, should be altered from 1 January 1884 to 22 May 1884, as otherwise Kesava Rao's reinstatement will not hold good, by reason of the operation of section 185 of the Civil Pension Code under which an officer who has obtained a Superannuation Pension, is by the nature of the case excluded from re-employment.

2. With regard to treating the period during which Kesava Rao was out of employ right from the 1 January to 12th March 1884 as absence on Privilege leave as suggested by the Collector, I beg to

observe that this would have the effect of depriving the officers who acted in the arrangement of acting allowance for the first 30 days vide Section 5 of the Pay and Acting allowance Code. In lieu of this arrangement, therefore, I would suggest that, for the period in question, Government should sanction the grant of full pay to Kesava Rao. Government in their order No. 435 H.S. dated 28 February 1884, H.S. Dept. held that Kesava Rao was made to retire without due authority, and the case being precisely similar to those which fall under Section 58 of the Pay and Acting allowance Code, he is entitled to his pay, if Government see fit to grant it.

Order thereon, 16 July 1884, No. 3041.

The date from which the pension is to begin will be altered accordingly to 22nd May 1884. Full pay will be disbursed to the

late

late Tahsildar for the period during
which he was out of employ.
