GOVERNMENT OF MADRAS.

POLITICAL DEPARTMENT.

READ—the following papers :—

From R. W. BARLOW, Esq, Acting Resident in Travancore and Cochin, to the Chief Secretary to Government, dated Quilon, 27th May 1884, No. 67.

Adverting to paragraph 2 of the Proceedings of the Madras Government, Political department, dated 21st September 1865, No. 235, I have the honor to request, with reference to the accompanying copy of a letter, No. 398, of 22nd instant, from the Dewan of Travancore, that you will be good enough to inform me what proportion of the pension of 200 rupees granted to Dr. Pulney Andy on his retirement from the Travancore service will be paid to that State by the Madras Government for the 3 years and 7 months Dr. Pulney Andy was in the British service.

ENCLOSURE.

From V. RAMIENGAR, Esq., c.s.i, Dewan of Travancore, to the Acting British Resident of Travancore, dated Trivandrum, 22nd May 1884, No. 398.

Referring to correspondence noted in the margin, I have the honor to inform you that Dr. S. Pulney Andy, originally of the Madras Medical Service and afterwards Superintendent of Vaccination under the Travancore Government, has been permitted, by His Highness the Maharajah, to retire from his service on a special pension of British Rs. 200 per mensem, in consideration of the zealous and valuable services he has rendered to this State in the cause of vaccination. The pension takes effect from the 1st Vykasi 1059—12th May 1884.

2. In accordance with the 4th paragraph of the Resident's letter, No. 1108, dated 22nd July 1865, and the Proceedings of the Madras Government, No. 235, dated 21st September 1865, forwarded with his letter, No. 1583, dated 29th September 1865, I request you will be good enough to ascertain what proportion of this pension will be paid to this Government by the Madras Government for the 3 years and 7 months Dr. Pulney Andy was in the British service. His salary as Superintendent of His Highness' Vaccine department was British Rs. 550 per mensem, and he has served this State for 18 years and 4 months.

From H. F. CLOGSTOUN, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 16th July 1884, No. 171-I.A.E.

Pension department.

With reference to your endorsement, No. 1209, dated the 5th of June 1884, referring to me for report letter, No. 67, dated 27th May last, received from the Resident in Travancore and Cochin, inquiring what proportion of the pension of Rs. 200 granted to Dr. Pulney Andy, on his retirement from the service in the Travancore State, will be

paid to that State by the Madras Government, I have the honor to state that Dr. Pulney Andy's service under the British Government, as calculated by the Surgeon-General with the Government of Madras, from 26th April 1862, the date of the Government Order sanctioning his employment as an officer in charge of the vaccinators at the Presidency, to 21st September 1865, the date of Government Order sanctioning his transfer to the Travancore State for employment as Superintendent of Vaccination in that State, is 3 years 4 months and 27 days. It would appear from the enclosure to the Resident's letter that he has rendered a service of 18 years and 4 months in Travancore. Dr. Pulney Andy's combined services under both Governments thus amount to 21 years 8 months and 27 days. He has not yet attained the age of 55 years, and can therefore be allowed to retire from the service of the British Government only if he obtains a medical certificate of incapacity for further service. Presuming that he is thus incapacitated for further service, he would be entitled to a pension not exceeding one-third of his average emoluments of Rs. 550 per mensem subject to a maximum of Rs. 2,000 per annum, under clause (b), section 113 of the Code. The proportionate amount of pension due for his service under the British Government would be Rs. 313-8-6 per annum. It appears from the correspondence furnished that, in consideration of the valuable services rendered, His Highness the Maharajah of Travancore has granted him a special pension of Rs. 2,400 per annum, or Rs. 400 more than is claimable under the rules of the Code. It is presumed that the Travancore Government will bear the whole of this excess.

2. The enclosures to your endorsement under reply are herewith returned.

ORDER—dated 30th July 1884, No. 502, Political.

Communicated to the Resident in Travancore and Cochin, whose attention is specially drawn to the Accountant-General's remark in connection with the production of a medical certificate of incapacity.
