PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings
 of the Board of Revenue dated 5th August 1884,
 Ins. No. 7310, on endorsement of the Collector of Bellary,
 dated 23rd July 1884, No. 3697, on letter from the Asst.
 Head Assistant Collector, dated 8th July 1884,
 No. 511.

I have the honor to return Ins.
 Petition No. 869 of 1884 referred to me for disposal.

2 Vennalakkanti Subbarao was an Asst. Revenue Inspector of the Taluk of Talagudi who has been required to retire was examined by the Doctor on the 23rd April 1884 and found unfit. Arrangements were made to fill up his place on the 5th May following and he was actually relieved on the 29th Idem. He was thus on duty till the 29th. But in this office docket No. 482 of the 27th May last it has been reported that he must be considered to have vacated his office from the date of Medical Certificate

(23rd April) I think this is very hard. It is
but fair that the man should be paid for the days
he was in office. If the pension will count from
the date of certificate, the difference between the
pension and the salary for the period he was in
office after that date ought in fairness to be allowed
to him.

Submitted to the Board of Revenue
with the request that the sanction of Government
may be obtained for the retention of J. Subbarao
in service beyond the date of medical certificate
under the circumstances reported by the Head
Assistant Collector.

Resolution

Submitted for the sanction of
Government, with reference to Rule I Section
109 of the Civil Pension Code.
