READ—again G.O., dated 14th April 1864, No. 180, Pension.

READ—also the following papers :—

From the Superintending Engineer, I circle, dated——August 1883.

Certificate and report from D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Acting Under Secretary to Government, Pension department, dated Madras, 24th July 1884, No. 838 A.-R.

Certified that should Government be pleased to treat the period of the applicant's services from 18th May 1868 to 14th February 1869 as qualifying superior service on the strength of the two original documents forwarded, as also on the specific opinion of the Executive Engineer that the service claimed has been established and should be admitted, qualifying service in superior grades will amount to 14 years 10 months and 24 days, and that an invalid gratuity, not exceeding Rs. 660, equal to 12 months' emoluments at Rs. 55 per mensem, will be admissible under sections 106 and 113 (*a*) of the Civil Pension Code. As the gratuity for subsequent service *plus* the amount of the previous gratuity does not exceed the amount of the present value of the pension (viz., Rs. 17-4-3 per mensem) that would have been admissible had the gratuity received for the earlier service been refunded, there appears no objection to the gratuity of 12 months' pay, Rs. 660, recommended being granted under the provisions of section 188, rule 10 of the Civil Pension Code.

2. The Superintending Engineer in his letter, No. 1669-G.D., dated 12th September 1883, copy attached, recommends that the deficiency in the applicant's qualifying service of one month and six days may be condoned under the provisions of section 124 (1) of the Civil Pension Code, and that he may be granted a pension in lieu of the gratuity admissible to him. Should Government be pleased to accede to the recommendation of the Superintending Engineer, an invalid pension, the present value of which is Rs. (104·8 × 17-4-3 — 120 = 1689·4), or Rs. 16-2-0 per mensem, will be admissible with effect from 20th June 1883, under sections 106, 113 (*b*) and 188, rule 10, exception 2, of the Civil Pension Code.

3. The calculations have been duly verified. The invalid gratuity or pension, whichever is granted, is debitable to Provincial revenues.

4. With reference to section 134, rule 4, attention is respectfully solicited to section 69 of the Civil Pension Code.

ORDER—dated 15th September 1884, No. 952, Pension.

Under sections 106, 113 (*b*) and 188, rule 10, exception 2, of the Civil Pension Code, 6th edition, the Right Honorable the Governor in Council is pleased to grant to Achante Ramachendrayya, late Delta Superintendent, Public Works department, Godávari, an invalid pension of Rs. (16-2-0) sixteen and annas two per mensem, payable at Amalápuram, Godávari district, from 20th June 1884, in consideration of his qualifying superior service of fourteen years ten months and twenty-four days.

2. A deficiency of one month and six days in the applicant's service has been condoned to entitle him to draw a pension.

I knew very little prior to my departure I had begun to teach him surveying and levelling and he was making very rapid progress. Copy of a letter from the Superintending Engineer, First Circle, to the Examiner of Public Works Accounts, Madras No 1669 G. D. dated 12th September 1883.

In forwarding herewith application for pension on behalf of Achanta Ramachendriah, late a Delta Superintendent in the Eastern Division Godaveri, I have the honor to inform you that only a period of one month and four days is, as you will observe from the application, wanting to entitle him to 1/3 pension.

2. Ramachendriah with the belief that he had completed the required service entitling him to 1/3 pension, expressed his willingness to retire from the service on superannuation pension, he being over 55 years of age but the Division officer ordered him to appear before the Zilla Surgeon and produce a certificate of unfitness for further duty which Ramachendriah did on the 20th June 1883.

3. On the preparation of the application, it has been found that the period stated above is wanting to complete 15 years to entitle him to 1/3 pension.

4. I therefore request you will be good enough to bring the applicant's case specially to the notice of Government with a request that the period of one month and 4 days may be condoned under section 98 of the Civil Pension Code. had it not been for a mistake he would have been allowed to serve so much longer.

5. You will observe from his service register that Ramachendriah has really served Government for more than 21 years in permanent employment but that he received a gratuity for 6 Years of such employment.

In returning herewith the pension papers on behalf of A. Ramachendriah, late a Delta Superintendent in the Godavari Eastern Division, received with your N°. 1669 G. D. dated 12th September 1883 I have the honor to request that they may be retransmitted with information on the following points:-

(1) The applicants services prior to 1st July 1868 cannot be verified from the Audit Registers of this Office, owing to the entries therein not being ~~very~~ clear. Please state if they can be verified from the records of the Divisional Office, otherwise an affidavit with statements of contemporary servants as required by Section 127 rule 5. Civil Pension Code should be submitted.

2. From the audit registers of this office the applicants services as Local Fund Overseer appear to have terminated on the 8th and not 14th February/69.

This

This discrepancy should be explained. From the certificate of character submitted in support it would appear that the applicant left the appointment of Local Fund Overseer, on promotion, but from the statement of his services, he seems to have taken up the appointment of Delta Superintendent on Rs 40 per mensem, in preference to Local Fund overseership on Rs 60 per mensem. Explanation is also requested.

3. Please quote the No. and date of the order in which sanction was accorded to the grant of a gratuity of Rs 120. to the applicant for his services prior to June 1863. It should also be intimated whether he refunded this gratuity on his reemployment.

No 32 Godavari Eastern Division Office
Dowlaishweram 13th April 1884.

From
The Executive Engineer
Eastern Division, Godavari

To
The Superintending Engineer
First Circle.

Sir,

With reference to your endorsement No 1990 G.D. dated 16th October/83 on Examiner's letter No 256 S.C. 1st of the 5th idem and its enclosures herewith returned. I have the honor to enclose in original, letter No 3205 K.S. of 18th March/84 from the Supg: Engineer 2nd Circle together with an extract from the Service Register maintained in the late Supg. Engineer's Office from which it would appear that the retired Delta Superintendent A. Ramachendriah was employed as Local Fund Overseer continuously from 18th May 1868 to 1st February 1869 which includes the period not verified from the Audit Registers of the Examiner's Office.

2. The Supg: Engineer 2nd Circle in his letter referred to above, says that the Delta Superintendent's connection with the Kistna District ceased on the 1st February 1869, while from para 3 of the Examiner's letter under reply it would appear

appear that his service as Local Fund Overseer Kistna District upto 8th Feby/69 has been verified from his Audit Registers; the difference of the remaining 6 days is explained by the Delta Supdt: as due to a portion of his February's salary having finally been settled in December/70 by withholding it in adjustment of certain irrecoverable advances made by him notwithstanding his protest; Vide letter marked C enclosed for perusal; hence it is possible that the claim for the period might be found in the audit registers of the Examiners Office between February and December/70 if it was subsequently preferred and audited considering however the inconsistent state of the Records of the two Offices as shown above. I am of opinion that the benefit of the doubt may be allowed to the applicant, the period being so very trivial viz 6 days.

3. Respecting the observation that the applicant did not leave his appointment of Local Fund Overseer on Rs 60 for Delta Supdt: on Rs 40 on promotion as noted in the certificate of the character, the Delta Supdt: states that it was understood at the time that the salary of the latter appointment was Rs 70 per mensem which would have been if of 1st Grade, hence the error.

The number and date of the Order sanctioning gratuity to the applicant is not known nor was it refunded on his reemployment.

I have &c.

With reference to your letter No 1288 of the 10th Instant, I have the honor to forward herewith an extract from the old service register maintained in the late Supg: Engineer's Office, from which it will be seen, that A. Ramachendriah, now retired Delta Supdt:, was employed as Local Fund Overseer, from 18th May 1868 to 1st February/69 and to state with reference to para 3 of your letter, that there is no information in this Office regarding the discrepancy in his service from 9th to 14th February/69 noticed by the Examiner, his connection with this District having ceased on the 1st February/69.

2. It is believed that the above information is all that is wanted by you, and therefore no attempt has been made to obtain a statement from his contemporary servant now at the Budameru Bridge.

* In the Public Works Department, periods of service should be verified by the Examiner, P. W. Accounts, Section 84, Rule 2.
If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Head of the Office in which the Applicant states that he served during the period in doubt, Section 84, Rule 4; and if verification from this source also be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, *e.g.*, official certificates, and the evidence of contemporary employés, Section 84, Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not. Section 84, Rule 6.
The affidavit of the applicant and evidence of contemporary employés should contain information on the following points:—

(*a*) whether the applicant was in *permanent* employ of Government.

(*b*) whether there were any breaks in the continuity of his service and whether he was at any time absent on leave other than privilege; if so, the nature of such breaks and the duration of such leave of absence should, as far as possible be specified.

The Final Pension Application should not be submitted until the applicant is finally relieved, when it should be accompanied by the Last Pay Certificate prescribed in Section 85, C. P. Code.

2. Attention is solicited to Section 22.

Certified that should Government be pleased to treat the period of the applicant's services from 18th May 1868 to 14th February 1869 as qualifying Superior Service on the strength of the two original documents forwarded, as also on the specific opinion of the Executive Engineer that the service claimed has been established and should be admitted, qualifying service in Superior grades will amount to 14 years, 10 months and 24 days and that an Invalid gratuity not exceeding Rs 660/- equal to 12 months emoluments at Rs 55/- per mensem will be admissible under Sections 106 and 113 (a) of the Civil Pension Code. As the gratuity for subsequent service plus the amount of the previous gratuity does not exceed the amount of the present value of the pension (viz Rs 17-4-3 per mensem) that would have been admissible had the gratuity received for the earlier service been refunded, there appears no objection to the gratuity of 12 months pay, Rs 660/, recommended, being granted under the provisions of Section 188 rule 10 of the Civil Pension Code.

2. The Superintending Engineer in his letter No 1669 C.D. dated 12th September 1883, copy attached, recommends that the deficiency in the applicant's qualifying service of one month and 6 days may be Condoned under the provisions of Section 124 (1) of the Civil Pension Code, and that he may be granted a pension in lieu of the gratuity admissible to him. Should Government be pleased to accede to the recommendation of the Superintending Engineer, an Invalid Pension, the present value of which is Rs (104.8 × 17.4.3 − 120.-.- = 1689.4) or Rs 16-2-9 per mensem will be admissible with effect from 20th June 1883 under Sections 106, 113 (b) and 88 Rule 10 exception 2 of the Civil Pension Code.

The calculations have been duly verified. The Invalid gratuity or pension, whichever is granted, is debitable to Provincial Revenues.
