The Secy. to the Govt. of India

P. W. Sept.
with 10 lines

Sir,

I am directed to transmit for the
Orders of the Govt. of India the accompanying
memorial from M^r. Peter Pereira, late
overseer on the temporary establishment of
the P. W. D. praying for the grant of the
pension admissible to him under the rules
for his qualifying service of 18 years and 10
months from the 4th of June 1866 to the
25th of March 1885.

2. The memorialist entered the Public Service on the 4th of June 1866 as a clerk on Rs 25 per mensem in the Central Jail office at Coimbatore and in August 1876 was transferred to a clerical appointment on Rs 35 p. m. in the office of the District Engineer, Nilgiris. He was subsequently promoted to the post of Sub. Overseer on Rs 60 and on the re-organization of the P. W. S. in Febry. 1880 was transferred to the Nilgiri Local Fund Board as an Overseer on Rs 80, a post which he continued to hold until the 25th of March 1885. On this date he accepted a temporary Overseership in the P. W. S. of the ^{Madras} State Railway which he continued to hold until the 31st of July 1895. He was subsequently retained in temporary employment in the P. W. S. until the 15th August 1895 when his services were finally dispensed with owing to unfavourable reports regarding his work.

3. In November last the memorialist addressed the Govt. with the request now made to the Govt. of India. His petition was forwarded to the Ex^o of P. W. Accounts for remarks and that officer's ^{certified} certificate contained that the memorialist was not entitled to any retiring allowance for his services up to the 25th March 1885 as they had been

been vitiated in consequence of his not having obtained a lien on his appointment in the E. I. Dept., while accepting the temporary overseership in the P. W. Dept. His petition was accordingly rejected by this Govt. in its Order No 83 Pension, 8th Febry. 1896.

4. Against this order the memorialist now appeals to the Govt. of India on the ^{chief} grounds:-

(1) that his qualifying service in the P. W. S. was of a good character.

(2) that he accepted the offer of temporary appointment on the advice of the Ex^o Engineer under whom he was then serving and

(3) that his transfer to temporary employment was not sought for by him but made in the interests of the Public service.

I am to observe that the second and third of these arguments are mutually inconsistent. The memorialist was not compulsorily transferred to the temporary employment but accepted a temporary appointment of his own free will. The advice which the Ex^o Engineer gave him was not of such a character as to amount to compulsion.

5. See these circumstances

5. With ref^{ce} to para. 7 of the memorial and to Enclose a copy of Major Morant's letter to which the memorialist refers. It is the case that that officer recommended his re-appointment to the permanent establishment of the P. W. S. but this recommendation was not accepted since it was considered that other individuals had superior claims ^{than} the memorialist.

^{finally say}
 I am to state that H.E. the Governor
 in Council has no recommendation to
 make on behalf of an officer who
 voluntarily resigned an appointment which
 would have entitled him to pension
 had he continued to hold it.
