SIR,

With reference to your endorsement No: 93 dated
the 12th of November 1895 referring to me for report
a letter from the Under Secretary to the Government
of India, Foreign Department, No: 3423 dated the
14th October 1895, in which he enquires how T. Aruna-
chellam Pillai, late a 1st Class Hospital Assistant
was granted an Invalid pension and yet allowed
to remain on in the service of the Pudukottai
Durbar, I have the honour to report as follows: -

T. Arunachellam Pillai, a 1st Class Hospital
Assistant on the Medical Establishment of the Civil
Department, who was doing duty in the Pudukottai
State was granted an Invalid pension of Rs 21-6-0
a month under Government Order No: 949, Pension,
dated the 22nd October 1883. In the Medical Certificate
received with the Pension application, it was stated
that

that he had become completely and permanently incapacitated for further service of any kind in the Medical Department in consequence of Chronic Diarrhea, Dyspepsia and debility. On the 1st page of the Pension Application he was shown to have ceased to do duty on the 26 June '83, while on the 3rd page opposite to the heading "Any other remarks" no mention was made, as it should have been, of his retention in the service of the Pondicherry State. The Last Pay Certificate which should have accompanied the application for pension is not traceable in our records: probably it was not attached and its omission was not noticed; the irregularity, if it occurred, is regretted. Everything seeming in Order, this Office reported upon the Pension application, and the Government accordingly sanctioned a pension to him in the order quoted above.

On a reference now made, the Surgeon General with the Government of Madras has forwarded the marginally noted papers, which are herein enclosed for perusal and return, and states that the question of this Officer's retention in service was not referred to his office. It will be seen from the correspondence that the Medical Certificate furnished in support of the Pension application was not understood to bar his continuing in the same service under a different master, who in this view of the case was left to safeguard his own interests.

The

The endorsement under reply with the connected papers is herewith returned.

I have the honour to be,
Sir,
Your most obedient servant,

Tharion
