R. 12/11

Please see para 1 of the Acctt-Genl's report. The applicant was degraded in Augt. 77 from Rs. 12 to 10 - for continued idleness, & in July 78 from Rs. 15 to 7 for short outturn of work. His degradations on these 2 occasions from superior to inferior service may, it is submitted, be regarded as due to circumstances other than misconduct, as suggested by the Acctt Genl, in order that the applicant may have the benefit of art. 436 C.S.R. i.e. of counting the superior portion of his service towards pension.

7.11.96

Continued idleness is certainly "misconduct" but the special permission of the Local Govt. is all that is required to get over the difficulty. Submitted that it may be given, & that a pension of Rs 4/- may be sanctioned. The applicant has been reduced 8 times & suspended 6 times for an aggregate period of five months but punishments [illegible] for short work &c are freely inflicted on survey & settlement subordinates working in the field, & the applicant seems to have been suffering from weak heart.

CERTIFIED that I have carefully examined Bezvada Seshiah naidu

Field Surveyor son of Bezvada Kanniah naidu

His age is by his own statement 47 years and by

appearance 52 years.

I consider that Bezvada Seshiah naidu to be completely and permanently incapacitated for further service of any kind (or in the Department to which he belongs)

in consequence of Feeble or Fatty Heart

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Sir,

I have the honor to submit an application for Invalid pension on behalf of B. Seshayya Nayudu, late Field Surveyor, No. I Madras Survey Party, together with necessary papers as per list enclosed.

2. In his total service of 27 years there are 2 breaks amounting altogether to a little more than 3 months. The first break of 1 month and 19 days was caused by his discharge for absence

without leave in November 1873 and the second break of 1 month and 20 days by his resignation in March 1874-

3. The applicant's affidavit explaining the causes of the above 2 breaks has not been received ~~altogether~~ although twice called for-

4. The breaks could be condoned under article 465, Civil Service Regulations- If the breaks are condoned his total superior service will be 18 years, 10 months and 29 days and he will then be entitled to a monthly pension of Rupees 5-13-6 or annas 5 and pies 2 more than he would otherwise get-

5. His service book contains 18 unfavorable entries 13 of which are for short outturn, 2 for bad work, 1 for gross irregularity and idleness, 1 for taking credit for more work than was done and 1 for leaving his Taluk without permission-

The Register of warnings and minor punishments shews that the surveyor was fined and warned 42 times in addition to the 18 punishments recorded above- It is therefore not possible to recommend condonation-

6. The delay of 4 months in submitting this application is due to delay in receipt of complete information from the Party Office-

I have the honor to be
Sir
Your most obedient Servant

Superintendent

20 December 1887, No. 1177, Revenue

Government of Madras
Revenue Department

Read the following Proceedings of the Board of Revenue (Land Revenue), dated 27 September 1887, Mis. No. 3369:—

J. H. Garstin, Esqr., C. S. I

Read the following letter from H. G. Turner Esqr. Collector of Vizagapatam, to the Secretary to the Commissioners of Land Revenue, dated Vizagapatam 5 August 1887, No. 1797:—

6
5
1201

The Zemindar of Bobbili has brought to my notice that in his Zemindari estate there are many lands in the possession and enjoyment of other persons which were included in the head of "Terayaty" in the permanent settlement, but which have from time to time been alienated to their present holders or to their ancestors by former Zemindars.

2. Notwithstanding these alienations the Zemindar has been paying to the Government the entire peishcush originally

charged on the Zemindari on the ground that the lands so alienated have not been sub-divided and separately assessed, but are retained under the head of Terayaty of the Zemindari.

3. The Zemindar considers this state of things improper, and has requested me to appoint a special Officer to inquire into these cases and to sub-divide these alienations from his Zemindari and separately assess them under the provisions of Madras Act 1 of 1876. The Zemindar gives me to understand that such cases amount to about 1,500 in number, with their estimated income being about Rupees 50,000 per annum. He has agreed to pay the cost of the Special Officer and his establishment, which he requests us to appoint for the purpose.

4. I consider the Zemindar's request reasonable and have, therefore the honor to request that the sanction of Government, if necessary, may be obtained for the entertainment of the Special Officer and his establishment applied for by the Zemindar. Considering the important nature of the work and that has to be performed, I am of opinion that the special Officer should be of the standing of a Deputy Collector. If this proposal is accepted, I shall fix the salaries of the Officer and his establishment and submit a proposition statement for approval.

Resolution dated 27 September 1887,

G.O. dated 23 May 1888, No. 3030

Read also the following Proceedings of the Board of Revenue (Land Revenue) dated 24 January 1889, No. 360 Miscellaneous on letter from the Collector of Vizagapatam, dated 24 December 1888, No. 2989.

Adverting to para 5 of my letter No. 1659 dated 17 July last, disposed of in Board's Proceedings dated 2 August last No. 4654 Miscellaneous, I have the honor to forward herewith copy of letter dated the 12 instant from the Rajah of Bobbili and to request that the Board will be pleased to move the Government to instruct the Superintendent of Revenue Survey to depute 10 surveyors of the lowest class 2 Deputy Surveyors and 1 Head Surveyor from his

establishment to survey and demarcate the alienations in the Bobbili Zemindari.

2. In my letter No. 732 dated 28 March last, application was made for the deputation of 3 Survey Officers only but the Zemindar now requires the services of 13 Survey Officers and his request may be complied with as the cost of the establishment will be borne by him.

3. As soon as I hear from the Rajah that the survey is finished, I shall address the Board on the appointment of a Special Deputy Collector for the subdivision of the alienations.

Enclosure

In march last, my Dewan wrote to you through the late Mr K. Purushottam Pantulu to request that a competent Government Officer might be appointed for the Survey and demarcation of certain Inams in the Bobbili Estate, which it is proposed to subdivide.

In July, the Dewan had to address you again requesting that the arrangements for the subdivision and the survey of the Inams might be postponed until the crops were harvested.

As the present time is very suitable for the Survey and demarcation of lands and as it is desirable that this part of the work should be, if possible, completed before the Special Deputy Collector begins to apportion the peishcush on the Inams, I beg to request that you will be so good as to send ten Surveyors, two Deputy Surveyors, and one Head Surveyor of the Government Survey Department, at your earliest convenience.

Resolution:—

Submitted to Government with reference to Government Orders, dated 20 December 1887, No. 1177 and 11 August 1888, No. 4736.

2. For the reasons stated in the Rajah's letter to the Collector, the Board

recommend that the Superintendent of Revenue Survey be instructed to lend the Rajah at an early date the surveying establishment asked for by him.

Order thereon 12 February 1889, No. 924

Communicated to the Superintendent of Revenue Survey for early compliance.
