Certified that I have carefully examined *H. Lutchmi Kantam* no *381*

son of *A. Katelingam* / *1st cl. Constable G. B. Kish* District

His age is by his own statement *43* years and by appearance about *45* years.

I consider *A Lutchmi Kantam* to be completely

and permanently incapacitated, for further service of any kind in the Department to which he belongs in consequence of

Defective vision & chronic Rheumatism

his incapacity does not appear to me to have been caused by irregular or intemperate habits.

GUNTUR, *28th*

Discharged for pension
from the service of 28 Aug/96.

J. W. Massey
Civil Surgeon.

States that since 1891 he has been suffering from Rheumatism for which he got himself treated from time to time without any permanent relief, that since 1894 he has been suffering from dimness of sight and that at present both these complaints have aggravated to an extent that he is not able to discharge his duties. Present condition. A weakly looking individual visible mucous membrane anorexia tongue indented markedly at the edges & also indicative in other respects of digestive disturbance. There is dull pain during manipulation of the knee joints and locomotion is consequently defective. There is also incipient cataracts in both the eyes. Considering the nature of his complaints his present state of his health and the nature of his duties I am of opinion that he is permanently and completely unfit for further service of any kind and I therefore accordingly granted this certificate.
