REVENUE DEPT.

Salutation of Bureau

L. Davidson Esquire

Under secretary to Government

Revenue Department

Most honored Sir,

1. I most humbly and respectfully beg to submit that I put in my papers for pension in August last.

2. I hear that the Collector Mr. A. G. Tate recommended a reduction of my pension characterizing me as untrustworthy and dishonest without any thing in support of it or to raise at least a presumption in favour of it.

3. From the time he joined the district he was so much prejudiced, which his general remarks and treatment will prove, and the reasons for which I reserve,

2. That your honor will be so much pleased
 as to order a copy of the charge, in which the
 Collector found or at least suspected my
 dishonesty, to be furnished to me so that the
 Government may have an opportunity of
 considering my explanation before any order
 is passed on the papers & unjust recommenda-
 tion of the Collector

I beg to remain
 Yours honor's obt. servant
 H. H. H.

1. The information upon
 which he acted & based his opinion was
 erroneous, groundless and malicious. Had
 the Collector called upon me to explain
 my conduct in particular instances
 in which he suspected my conduct, my
 explanation would have certainly prevented
 him from reporting me in the manner he has
 now done.
 I therefore humbly request

that he make to the Board a report on the
 facts making specific but general, such as
 delay in correspondence &c.
