I Attention is drawn to No. 2 of the
printed Memo. of Instructions from this office.

II. It should be explained

(a) why the date of the applicant's
birth is given in the Annual
Return for 1884 on record in
this office as 12 August 1859
instead of 12 August '53 as
stated in the returns for
other years and in the
service book.

(b) and why the name of the
applicant is not traceable
in the Annual Return for 1879
on record in this office.

(c) and why the applicant's
services prior to 16 June '76 and
16 June '77, the dates of his
discharge from service on two separate occasions, has
been treated as qualifying for pension. If the
admission was based upon Article 404 of the Civil
Service

SIR,

I have the honour to inform you that the
application for pension of J. Appadurai
gratuity of J. Appadurai
Mudali late a draftsman, Central
Survey Office, Madras,
is being delayed for want of the information
noted in the margin. Where possible your
answer should be written underneath the several
points to which your attention is drawn.

2. The enclosures and your reply should
be returned with the least possible delay.

I have the honour to be,

Sir,

Your most obedient Servant,

Service Regulations, a copy of the Government order, if any, sanctioning the Establishment under the terms of that Article should be furnished.

III. On page marked 4 in the Service Book, the entry "Service up to 10 July '96 Verified" has not been attested by the head of the office. The omissions should be supplied.

I. Attention is drawn to Art. 2 of the printed Memo of Instructions from the Accountant General's Office -

When the application for gratuity was about to be submitted to the Accountant General, the applicant reported that during the time of recess in Coorg in 1876 and 1877 between 16 June to 30 September he drew pay and that the two breaks of $3\frac{1}{2}$ months each shown in his service book were really no breaks. A reference was then made to old records but nothing was found to support the applicant's statement. Hence the delay in submitting the application.

II. It should be explained (a) why the date of the applicant's birth is given in the Annual return for 1884 on record in the Accountant General's Office as 12 August 1859 instead of 12 August 1853 as stated in the returns for other years and in the Service Book.

(a) In the copy of the Detailed statement for 1884 on record in the Central Survey Office the date of the applicant's birth is entered as 12 August 1853.

(b) and why the name of
if the applicant is not traceable
to in the Annual Return for
1879 on record in the
Accountant General's Office.

(c) why the applicant's services
prior to 16 June 1876 and 16
June 1877, the dates of his
discharge from service on
two separate occasions has
been treated as qualifying
for pension. If the admission
was based upon Article 404
of the Civil Service Regulations
a copy of the Government
order, if any, sanctioning
the Establishment under
the terms of that article should
be furnished.

(b) The omission of the
applicant's name in the Annual
Return of the Central Survey
Office for 1879 is probably due
to the non receipt in time of
information regarding his
transfer from the Coorg Survey
Party from 1 April 1879.

(c) The applicant was on
actual duty both when the
Establishment was discharged
in consequence of the monsoon
recus in Coorg and on the
first day on which the
Establishment was again
reemployed. The applicant's
services prior to his discharge
on 16 June 1876 and 16 June
1877 were therefore treated as
qualifying for pension
under the provision of Article
404, Civil Service Regulations.
No Government order
sanctioning the Establishment
is on record in the Central
Survey Office.

III On page marked 4 in
the Service Book the entry
"Services up to 10 July 1896
verified" has not been attested
by the head of the Office.
The omission should be supplied.

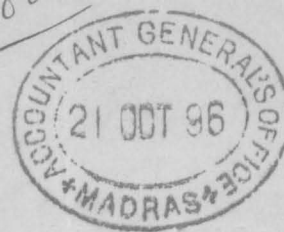

III The omission has now
been supplied.
