Certificate and report from the Accountant-General, dated 5th Nov 1896, No. A.D.J./444

ORDER THEREON, 20th Novr. 1896 No. 1124.

Character - Good

Please see paras 2+3 of the Acctt Genl's report. The applicant
was on privilege leave from the 1st July to the 13th Augt. 1896, and without
returning to duty after the expiry of his leave he was invalided
on the 14th Augt. 1896. He has also drawn the leave allowance for the
period. Under art. 296 CSR. privilege leave allowance can be drawn
by an officer only if he returns to duty after the expiry of such
leave; so, the Acctt Genl says that the payment of leave allowance
to the applicant was irregular, and that it is left to Govt. to recover the amount from the arrears of pension now due to him.
He also quotes two cases (S.Os 195/22.2.87 & 1006/26.8.95 Pen.), in one of which (S.O. 195/22.2.87 Pen) the individual's absence
(from the date of availing the privilege leave up to the date of his
being invalided) was treated as leave on medical certificate, and
the pension was granted with effect from the date of the Medl. certificate. In the other case (S.O. 1006/26.8.95 Pension) the individual referred to was entitled to
a retiring pension on the date on which he took the privilege
leave, & so, he was granted pension from that date and the
privilege leave allowance recovered. In the present case the
man was not entitled to a retiring pension on the date on
which he took the privilege leave - So, his absence from
1st July to 13th Augt. 1896 may, as was done in the case disposed of by S.O. 195/22-2-87 Pension, be treated as leave on medical

Under articles 485 & 518 (b) of the Civil Service Regulations (2nd Edition), His Excellency the Governor in Council is pleased to grant to Mr. John William Eade, late Draughtsman, Office of the Conservator of Forests, Central Circle, Madras, an invalid pension - of Rupees (20-15-6) Twenty, annas fifteen & pies six p.m. payable at Madras from 14th Augt. 1896 in consideration of his qualifying Supr. service of 22 years, 9 months and 1 day~~s~~.

2. The applicant's absence from 1st July to 13th Augt. 96 will be treated as leave on medical certificate.

CERTIFICATE AND REPORT OF THE AUDIT OFFICER.

1. Certified that qualifying service in Superior grades has been duly proved for 22 years 9 months and 1 day and an Invalid Pension not exceeding Rs 20-15-6 per mensem equal to 22/60 of average Emoluments is admissible under Articles 485 and 518 (b) of the Civil Service Regulations 2nd Edition. The calculations have been duly verified.

2. The applicant was granted Privilege leave from 1 July to 13 August 1896, on the expiry of which he retired from the service without joining his appointment. The payment of leave allowances to him in the circumstances was irregular and opposed to Article 296 of the civil service Regulations. It rests therefore with Government to determine whether the leave allowance irregularly drawn should be recovered from the arrears of pension that may be sanctioned to him.

3. In the case of Muhammad Jobbar Sahib who retired on an Invalid pension without returning to duty immediately after the expiration of his Privilege leave, the Government in its order No 195 dated 22 February 1887, decided to treat his absence from the date on which he availed himself of the Privilege leave up to the date of the Medical Certificate declaring him to be incapacitated for further service as leave on Medical certificate, and granted him a pension with effect from the date of the Medical Certificate. But in the case of C. Shunmugam Mudali disposed of in Government order No 1006 dated 26 August 1895, Government held that the Privilege leave allowance drawn by him immediately before retirement should be recovered from him and that the retiring pension sanctioned should be made payable to him with effect from the date on which he proceeded on Privilege leave.

4. In the circumstances, it is for Government to determine which of the two courses should be adopted in the present case.

5. In accordance with Rule 3 under Article 994 (b), the attention of Government is respectfully solicited to Article 514 of the Regulations.

9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

He states that he has been shortsighted since he was fourteen years of age and that he was prescribed glasses about five years ago. His sight has been gradually getting worse since, and his eyes begin to pain if he works for any length of time.

Examination - External appearances normal.

Right eye vision is less than $\frac{6}{60}$ and with $-14 D = \frac{6}{18}$

2. In the annual return for 1879 the year of the applicant's birth is entered as 1854 ~~where as~~ whereas 1853 is given in the Service Book and the pension application.	2. In the copy of the Detailed statement for 1879 on record in the Central Survey Office, the year of applicant's birth is not entered as 1854, but his age is entered as 25 Years. As the applicant's date of birth was 10 October 1853, he would be 25 years of age on his last birth day viz 10 October 1878 and there would appear to be no mistake in the entry 25 years.

The reason for such a transfer as well as copies of any correspondence on the subject should be furnished.	3.
