(1). My surname is Ayula and no Anguru - It may have been written by mistake as Angurlu in the Service Book - I signed in the several columns therein as Ayula and not as Angula -

(2). I have no horoscope - I am above 58 years. I remember the great famine called "Nomko" (the famine of 1865-66) I was at the time in the prime of youth - I think I was 29 or 30 years old at the time. Our old people used to state that I was borne during a famine and that it was just after the suppression of the Gumsur Fituri - I remember also that our old people used to say that I was borne when Tahsildar Sooryanarayana Pantulu

If ~~found~~ in the records, ~~it is~~ my pay bill for April 1879 is not forthcoming, it may be that I was ~~not~~ on leave or that the bill was lost. I was never suspended - I never lost my appointment and was never reappointed - I was in continuous service and never absented myself without leave - My contemporaries are Bodapati Rangiah and Koppula Jajamiakulu -

Sir,

1. Service Register

4. Three affidavits

I have the honor to submit herewith, for the sanction of Government, an application for pension on behalf of Arjula Kanniah, a peon of the Tahsildar's Office, Gumsur, together with the marginally noted documents.

2. The applicants' services for April 1879 could not be verified as the pay bills for the month are not forthcoming either in the Huzur or Taluq offices. Affidavits taken from him and two contemporaries on the point are enclosed.

3. With regard to the kind of leave

leave granted to the Applicant on loss of half pay on each of the occasions during the period extending from 14th July 1866 to 22nd November 1868. the pay bills of the Taluk Office do not throw any light. From the statement of the applicant it, however, appears that he had sick leave on half pay.

4. His Surname appears to be Arjula and not Aujurla as entered in the Service Book. The affidavits taken from him as well as two Contemporaries testify to the correct name. Moreover, the Annual – Establishment lists also support the alteration.

5. The annual lists show 1841. as the year of the applicants' birth whereas the Contemporaneous evidence carries it – backwards to 1836. I think the latter may be relied upon.

6. In the Annual Establishment list the date of his first Appointment has been wrongly entered as 10th July 1866 – instead of 14th Idem. The Correct entry has been adopted in the Service Book and the

application.

7. In the Service Book his name is spelt as Kunniah and in the lists, as Kannayya or Kanniah. The latter mode of spelling being more commonly used, it has been adopted in the Application.

8. The applicant has been retained in the Service on light duty pending receipt of orders, under Article 500. of the Civil Service Regulations.

for Collector.

K.R. acct

if necessary, for the alteration of the year from 1841 to 1836.

Query II. The required leave statement is attached.

Query III. In the office copy of the Annual Return for 1874 the names of peons have not been detailed and it is, therefore, not understood on what records the objection raised is based. Further from the pay bill for April 1874 it is clear that full pay was drawn for the applicant for that month. The mistake in the return submitted to you may be a clerkal error.

Query IV. In the Annual Returns for 1891 and subsequent years, the date of the applicants' appointment was wrongly written to be 10th July 1860 instead of 10th July 1866. The mistake was due to a clerkal error.

Query V. The required note has been added on the outside of the Service Book.

I have the honor to be,
Sir
Your most obedient Servt.
