His age is by his own statement *51* years and by appearance about *60* years.

I consider *Jamaldun Sahib, Forester* to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs in consequence of *his emaciation, skin disease, impaired sight, and rheumatic pains, probably the result of malaria*.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

cannot therefore qualify for pension.
