Under articles 485 & 524 (b) of the Civil Service Regulations (2nd Edition), His Excellency the Governor in Council is pleased to grant to Biram Chalamayya, late a peon, Bander Taluk Office an invalid pension — of Rupees (3/-) Three only p.m. payable at Masulipatam from 8th August 1896 in consideration of his qualifying [illegible] service of 29 years, & 7 months ~~and~~ ~~days~~.

Please see paras 2 & 3 of the A.G.'s report.

The applicant was a daloyet on Rs. 8 in the Rev. Sett. Office, Kistna Dt. from 11 Novr. 64 to 30 June 74. On 1-7-74 the Settlement office was ~~ab~~ transferred to Berhampore, but he was unwilling to go there, and obtained a temporary process server's post on Rs. 6 in the Bezwada Divn., which appointment he held till 28-8-76 when he was confirmed as a Revenue peon on Rs 6 in the Bezwada Tq. Office. His transfer to a temporary post without a lien on his substantive appointment forms an interruption in his service; but the Acctt.-Genl. certifies that if the interruption be condoned by Govt., his qualifying service will in all amount to 29 years & 7 months entitling him to a gratuity of Rs. 36, and that if the deficiency of 5 months required to bring the applicant's service up to 30 years be condoned out of his nonqualifying service of 2 years & odd he will be eligible for a pension of Rs. 3 p.m. against the gratuity of Rs. 36 otherwise admissible. Submitted that both the concessions may be allowed.

Certified that I have carefully examined Beram Chalamaih son of (Swamy) a peon in the Tahsildar's office Bander Taluq. His age is by his own statement 55 years, and by appearance about 55 years. I consider Beram Chalamaih to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of Heart Disease. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Kyfeat given on solemn affirmation on the 19th August 1895 by Madduri Subrahamanyam, an inhabitant of Atapaka.

I know Biram Chelamayya, now a peon in the Town Magistrate's Office at Bandar. I entered the Settlement Party of the Kistna District as an Extra Gumesta in December 1864. He was then a Dhalayat in the Huzur. I cannot say exactly what his pay was, but I remember it was Rupees 7. Upto 1870, I was an Extra Gumesta in the Huzur Office of that Department. Subsequently I went to Krosur and Narsarowpett Taluks as the Extra Head Gumesta for the preparation of the Settlement accounts. I was in that appointment till 1873, and from October 1873, I went to the Settlement Party of the Ganjam District. I cannot exactly say when and what post he has been holding since I went on the out-door work, that is from 1871, but he had been a Dhalayat in the Huzur till 1870. I know no more than this about him I have read: it is correct.

Endorsement

B. Chalamaya was first taken into the Department as a Dalayet. He was eventually promoted to the post of Dafadar on 15 Rs, which he held for about 2 years. He has been reduced lately to a Dalayet's post on reduction of Establishment.

He can read and write Telugu. He is willing and attentive in the discharge of his duties. He has given satisfaction, and has proved himself use[illegible] generally. I hope he may meet with some Employment in a Suitable post in the Regular Revenue Establishment when an opportunity offers as he must sooner or later be thrown out of employ here when this office is broken up altogether.

Affidavit given by Biram Chelamayya, Peon, Bander Taluq.

I entered the Settlement Department as a Dhalayet on 11-11-64 and served there till 31-5-74, i.e. 9 years, 6 months and 20 days. The post I held is a permanent one. During this time, I never took any leave. I never had any suspension or dismissal. I had no other breaks whatever in my service. During this time, I drew at Rupees 6 per mensem and on certain occasions Rupees 8 and 11½ and even 15. While I was drawing Rupees 8, I applied for privilege leave and came away to Bander. On the termination of the leave, I entered the Revenue Department, i.e. the Process Establishment

I performed the process-service duty in the Bezwada Division from 1-7-74 to 28-1-76. During the period of one year, 6 months and 28 days I held the duty, I had no leave or other breaks in service such as suspension &c. During this time, I drew my pay at Rupees 6 per mensem. As the Officers then existing told me that the post was one of the permanent establishment, I entered the Process Establishment leaving the Settlement Department. From this alone I went to the Head Assistant Collector's Office as a Dhalayet. Some of my contemporaries who served along with me

when I was the Process-server died, and I do not know where the others are. None but those noted in the margin can testify as to my service in the Process Establishment. I therefore state the truth.

I know Biram Chelamayya, peon in Bander Taluk. I was a Dhalayet in the Head Assistant Collector's Office when he was a Process-server in the Bezwada Division. The said Chelamayya also used to be a Process-server in that office. I worked in that Office as a Dhalayet for 21 years. I tendered my resignation 5 years ago. As I was transferred from that place to another, viz. to the Nandigama Taluk as a Taluk Peon, I resigned the appointment being unwilling to go there. Chelamayya worked as a Process-server for nearly two years. He served during about 1874, 75 & 76. Afterwards, he worked as a Dhalayet in the same Office. After that, he served as a Taluk Peon in Bezwada. He never took leave during the period he was a Process-server. He was neither suspended nor dismissed, nor was there any break of any kind in his service. I think the Process-server's post which he held is a permanent one. During the time he was a Process-Server, Naidu Ramanappa Naidu Garu was the Magisterial Clerk in

Chelamayya held the post of Process-server in the Bezwada Head Assistant Collector's Office for about two years. This was prior to the year 1876. I cannot say from what date to what date he was so employed. As far as I know, he never took leave nor was he ever suspended or dismissed, and there were no any breaks of any kind in his service. I remember that he served continuously. It was a permanent post. This post, viz. the Process-server's post, was in existence both prior and subsequent to Chelamayya's appointment to it. I held appointments in the Settlement Department from 1860, and was for some time at Guntur and for some time at Bandar. While the Office was at Bandar, Jagganna, brother of the said Chelamayya, who was employed for watching the records ~~destroyed~~ at by the Cyclone of 1st November 1864 having died, the said Chelamayya was, in virtue of his heirship, given a Dhalayat's post by the Officer then in charge. Ever since, he was in the Settlement Department till 30th June 1874, when his services were dispensed with owing to the reduction. Immediately afterwards, I heard that he was employed in the Kistna Collectorate. During the period of Chelamayya's appointment in this Department, I remember that he obtained privilege leave to which he was entitled,

I entered the Settlement Department on 11-11-1864 and worked till the end of May 1874, and ~~then took~~ 2 months' privilege leave, to which I was entitled, from 1st June 1874. As the Settlement Office was transferred to Berhampore, I was unwilling to go so far, and therefore entered the Process Establishment at Bezwada after availing myself only one month's leave out of the two months' granted to me. That is all; but I did not tender my resignation. I submitted no resignation to any one either in my own hand or in that of another. I do not know what the higher authorities have written. After I entered the Process Establishment, the Settlement Department did not ask me any thing. Holding a permanent appointment, I took leave in that, and before the expiry of that leave, I entered the Process Establishment at Bezwada. Being unable to go from place to place with the Settlement Party, I entered the service at Bezwada which is nearer. During my service of 31 years and odd, I never put in any

Respected Sir,

With reference to your Reference No $\frac{3932}{Accts}$ (x) dated the 7th Instant, I beg to report that the date of birth of B. Chelamayya, peon of this office, is not entered in his Service Register; but in Col 6. of the first page of the Register, there is a pencil note thus – "Is this 1843." But this peon himself says that his present age is 55 years, which if correct, makes the year of his birth as 1840.

I beg to remain,
Respected Sir,

Sir,

With reference to your Dis No $\frac{3422}{Accts}$ of 95 dated 26-9-95, I have, the honor to state that there was no entry at all made in Col 6. of the Service Register of the peon therein referred to when the first page of the Service Register was written 31-12-77. The pencil entry appearing in that Column was apparently made subsequently under no initials of an officer. It is therefore an unauthentic entry. In the absence of a (~~registered~~) regular entry, para (b) of article 55 of the Civil Account Code does not, I think, apply to the present case.

I heard the marginally noted unverified periods of my service. I was in permanent employ from 11-11-64 to 30-6-74 in the Revenue Settlement Department. During this period there were no breaks or suspensions or dismissals or leaves of any kind except privilege leave for about one month. During the above said period I drew my pay at different rates in different capacities detailed in the margin. I first took two months' privilege leave and on the expiry of about one month I took up a process server's post in the Bezwada Division and used to draw my pay at Rs 6 per mensem. During my process service I never enjoyed any kind of leave nor were there any breaks, suspensions nor dismissals. I was told at that time that the process service was of a permanent nature. I never tendered any resignation while I was in the Revenue Settlement Department nor did I receive any gratuity for my service in that Department. As the Settlement Office was transferred to Berhampore I was unwilling to go there and therefore took up a process server's post at Bezwada.

Item I — Some more marks of identification are added both in the service register and pension application. A fresh affidavit taken from the applicant is enclosed.

Item II — The office copy of the list shewing the names of inferior servants for the year 1878 is not available on record in this office.

As the Process Establishment on which the applicant served was a temporary one, his name does not appear in the annual returns of 1875 either.

I am unable to say how the house name came to be noted like that. The man himself denies that he ever had or used to be called by such a name.

Item III. The specification of the appointment noted in the 2nd Column of the service register against Process servers post, seems to be a clerical error and it is corrected.

3. Regarding any gratuity or pension already received by Applicant. (*See* Chapter XXI).	nil
4. Explanation under Article 469 so far as the Head of the Office can give it.	nil
5. Any other remarks.	Incapacitated for further Service (vide Medical Certificate attached).
6. Specific opinion of Head of Office whether the service claimed is established and should be admitted or not [*See* Article 991 (*b*)].	The Service claimed is established and should be admitted.

From the Service Register it appears that the applicant resigned his appointment in the Revenue Settlement Department on 30-6-74 but in his affidavit he says that he served there till 31-5-74 and took 2 months' privilege leave from 1-6-74 and that on the expiry of one month's leave i.e on 1-7-74 he took up a Process Servers' post in the Head Assistant Collector's Division. No order is available in connection with his transfer to the Process Service Establishment from the Revenue Settlement Department as required by article 410 of the C. S. R. The fact that he was provided with a pacca appointment on 28-8-76 in the Revenue department, i.e., after 2 years, 1 month & 28 days he left the Revenue Settlement department without restriction of age rule gives room for a conjecture that he did not forfeit his past Service (vide article 463 (c) of the C-S-R); but no records are available either in the Board's Office (vide copy of B.P. no $\frac{2866}{7\text{-}6\text{-}95}$ was attached to the Service Register) ~~nor~~ or in this office to verify his service in the Revenue Settlement Department; nor is the application for resignation forthcoming. The certified abstract furnished by the Head Assistant Collector shows that the applicant drew his pay at Rs 3½ from 25 to 28th August 1876. From some of the pay bills of the Head Assistant Collector's Office, available, it appears that the applicant acted as Dhalayat of the Head Assistant Collector's Office while he was a process Server in the same Office and pay seems to have been drawn at half the rate of pay of each appointment as was the practice in old days. But no bills are available to show when he drew his half pay of the process Server's post for these 3 days i.e, from 25 to 28th August 1876. If the applicant's service from 1-7-74 to 27-8-76 be considered to be liable for rejection under article 403 of the Civil Service Regulations as being temporary & acting, I recommend that the Government of India may be moved to treat this period as counting for pension under article 403 of the Civil Service Regulations and the old man allowed half pension, taking into consideration his long & well conducted Service.
