Through

The Assistant Inspector of Schools
Second Division.

Honored Sir,

Concerning our school, from B. Govinda Razulu, I beg to state that the Tahsildar of Raja Immudry Taluk wrote in his letter No 2520 of 8-9-95 that he, being a retired pensioner, should not be retained in the local Fund or Government service according to the Civil Service Regulations article 576, except under express sanction of the Government; and asked me to discharge him from his service and report the matter to him forthwith.

B. Govinda Razulu is an honest, obedient and faithful man and deserves place in the service. It is a fact that all retired pensioners are very faithful and obedient, because in case they do any wrong they are well aware that they lose the life-long pension to which they have become entitled by hard labour for a number of years. It is why the

Public works department entertains a lot of retired pensioners as servants. Now if we want to have faithful and honest servants preference should be given to retired pensioners.

Perhaps the Article above quoted is intended to apply to such men and in such Public Service as to enable the service holders to claim pension a second time. But for our Peon he is serving only on Rs 5 per mensem and no contribution towards pension is demanded from local fund servants of less than Rs 10 monthly salary. Therefore there can be no irregularity if we retain pensioners as servants of less than Rs 10 monthly pay in the Local Fund Department.

The School Peon has many dealings with money and a trustworthy man is therefore absolutely necessary. But at present it is very difficult to get a trustworthy man.

Therefore I request that your honor would consider the matter and enable me to secure sanction to retain G. Govindarajulu in the service.

A. Hegde

The Peon retired in 1885 (as pensioner No 11388) from the Godavari Police force in which he served as Second class Constable (on Rs 6-8-0). Prior to this service he had also served as a warder in the Jail at Vizagapatnam. He has been serving in this school ever since its organization. Though his present age is 56 years he is strong and muscular. In his Police service he paid contribution towards Provident Fund from 1861 to 71 at the rate of $\frac{1}{2}$ anna in the Rupee which, he says, entitles him to further Government service.

Official Memorandum
Refon dly No 141 of 1895
date 23.12.95

Reference:- Amalapur Tahsildars report dis
No 2099 of 19.11.95 stating that as the pension
of B. Lakshminarayana No 15879 was granted from
the Supremation Fund, there would be no
objection to his drawing the same in addition
to his salary in the Amalapur Union.

The Tahsildar is informed that the Account-
ant General has finally decided that B.
Lakshminarayana, pensioner No 15879 is not entitled
to the concession referred in exception 16 art 577
of the P. S. R. as the entire period of service admitted
towards his pension was not supported by payment
of contributions to the Police Supremation Fund
and as the fund itself ceased to exist from July
1871. Hence his re-employment being objectionable
under art 576 of the P. S. R. the Tahsildar is
directed to recover at once the whole amount
of pension amounting to Rs 180 paid to him
from the date of his re-employment i.e. 1st
September 1891 or to address his employers

to obtain the sanction of Government for
his re-employment with retrospective effect
and report the result at a very early date.

Sir,

I have the honour to submit
a copy of the Dy. Collector's official
memo No 141 of 95 dated 23-12-95
addressed to the Tahsildar
and communicated to me
with his endorsement No
337 of 26-12-95 and state that
one Bhannarasetty Lakshminarayana
police pensioned Constable
No 15879 was entertained as
a Sanitary fero by this
Union on 1st September 1891 on
a salary of Rs 3-12-0 per month.
And from April 1894 his pay
was raised to Rs 5-00 he was
found to be a very useful man
He was a Police Constable
and granted pension

from a Police Superannuation fund
to which effect the Dist. Superintendent
of Police has certified. The Purchase
was under the impression that there
was no objection to his being employed
in the Union under exception 1
to article 576 of C. S. R. and the pensioner
too, entered the service under the
same belief. When he was thus em-
ployed the Dy. Collector for the
first time objected to the employment
on 7-10-95 and the payment has been
stopped. And the pensioner was asked
to refund the pension allowance
drawn by him from 1-9-91. The pensioner
is a very trustworthy and useful man
as a sanitary person. The Conservancy
Estⁿ is working very well under the
supervision of this person. He is a
poor man and he cannot refund
the pension allowance drawn
by him for so long a period as
since September 1891. If his services
are now dispensed with by the
Union I am afraid I cannot
get so competent a man like Laksh-
minipaty for so small a salary
as rupees five. Under these cir-
cumstances I respectfully beg that you
will please to obtain the sanction
of Govt^y for the reemployment of
Shanaramsetty Lakshminipaty with a
retrospective effect from 1-9-91
