17TH JULY 1883, No. 376, MARINE.

GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following papers:—

From J. H. TAYLOR, Esq., Lieut., R.N.R., Master Attendant, Madras, to the Chief Secretary to Government, dated Madras, 9th June 1883, No. 5199.

Administrative Department.

I have the honor respectfully to point out that the altered system to be adopted in the Harbour duties, consequent on the Notification of Government coming into force, necessitates certain changes and reductions in the present Pier staff, particulars of which I herewith furnish.

First.—The whole clerical staff can be transferred to the Collector for any use he can find for them in the collection of harbour dues and tolls. They are men of good character, some of them of good service, and I hope Government will be pleased to direct that their claims receive attention. The list is as follows:—

	Pay.			Service.		
	RS.	A.	P.	Y.	M.	D.
C. Lutchmapathy Naidu, Clerk	25	8	0	13	0	6
T. Munesawmy Mudelly, Assistant Traffic Overseer..	19	0	0	10	11	0
T. Venkatasawmy Naidu, Money Taker	17	8	0	15	4	6
S. Janakeram Raju, do.	17	8	0	4	9	23
C. Cundasawmy Chetty, Conicopoly	12	0	0	1	1	6
M. Kristnasawmy Chetty, do.	10	0	0	0	5	0
C. Narrainsawmy Mudelly, Assistant Sergeant	12	0	0	8	10	1
Total	113	8	0			

2. This reduction amounts to Rs. (113-8-0) one hundred and thirteen and Annas eight monthly, and as the duties of Pier Master and Traffic Overseer will be to some extent relieved, I also propose to transfer his Assistant Mr. Hutchence, an officer of whose intelligence and activity I cannot speak too highly, to the imperatively necessary appointment of Beach Overseer, to which I will allude in due course. Mr. Hutchence's present pay, therefore, amounting to Rs. (85) eighty-five, will also be saved to the Pier, bringing up a total of Rs. (198-8-0) one hundred and ninety-eight and Annas eight monthly. This brings the Pier establishment to the lowest point from which efficiency can be expected. The duties of repairing the Pier become annually more difficult and anxious. It is imperatively necessary to the carrying on of the trade of the port without very serious delays, that the permanent-way should be kept unimpeded, and when the lower beams have to be renewed, as is constantly the case, the difficulties to be overcome demand a practical and mechanical skill of very high order. All the tie rods as well as the timbers are in a state of decay, and are being renewed under the Pier Master's direction, as fast as circumstances admit, at a very small cost.

3. The Pier staff as reconstituted should stand thus—

	Pay.			Service.		
	RS.	A.	P.	Y.	M.	D.
One Pier Master	225	0	0	13	2	22
One Assistant Traffic Overseer	19	0	0			
One Clerk	17	8	0			
One Tindal	14	0	0			
Three Lascars, at 8 rupees each	24	0	0			
Two Duffadars, at 10½	21	0	0			
Eight Peons, at 8	64	0	0			
Two Sweepers, at 7	14	0	0			
Total	398	8	0			

4. The Beach establishment will now demand care, and looking to the great difficulties that will be experienced in regulating the Masulah boat traffic as must now be done for the present, confusion must cease now tolls have to be drawn. Considering the care that will be demanded for the Government property on the beach, the sheds, palisade; the expensive portion of made ground which will soon be cut up if not properly looked after; the countless little improvements that will suggest themselves in practice to an intelligent Overseer; the adaptation of what remains of the jetties, also the care of measuring and letting out on hire the portions of the harbour ground outside the palisade for storing goods, &c., from which a considerable revenue may be hoped; and the very trying nature of duties of this description on the burning sand, a very different condition of exposure to that of any other labor in Madras, the appointment requires care in selection and should be adequately paid.

5. I beg respectfully to recommend that Mr. Hutchence, now Assistant to the Pier Master, be named to this appointment on a monthly salary of Rs. 200, with one Assistant on a monthly salary of Rs. 50. They will be required to attend at all hours when work is going on without overtime fees, which would be very difficult to collect. They could relieve one another on all necessary occasions, meals, Sundays, &c. A Peon establishment, similar to that on the Pier, is also required, viz., two Duffadars at 10½ rupees and eight peons at 8 rupees, the slight increase to pay over ordinary peons being due to them for night work in open air. This brings up the Beach establishment to—

	RS.
The Beach Overseer (Mr. Hutchence)	200
One Assistant do.	50
Two Duffadars, at Rs. 10-8-0 each	21
Eight Peons, at Rs. 8 each	64
Two Sweepers, at Rs. 7 each	14
Total	349

6. The total of combined establishments of Pier and Beach being Rs. 747-8-0 seven hundred and forty-seven and Annas eight, as against (Rs. 619) six hundred and nineteen for the Pier alone.

7. In addition to the Pier and Beach establishments there is that of the Second Assistant Master Attendant, Mr. Rowland, consisting of:—

	Monthly.
	RS.
Mr. Rowland	350
One Clerk	30
Four Conicopolies, two at Rs. 15, one at Rs. 12, and one at Rs. 10	52
One Peon	7
Total	439

8. This has hitherto been a charge upon Port Funds, Mr. Rowland acting afloat as Government Surveyor and in many ways assisting in the duties of the Marine Department; but the Harbour Committee have drawn attention to what they consider

the anomalous nature of this charge on the Port, and recommend its being removed against the departments * concerned, which is entirely a matter for the consideration of Government.

* As per list annexed.

9. There is yet another item which has been borne upon Port Funds since G.O.,

G.O., Marine, No. 304, dated 30th November 1869.

† Para. 7.—In the list now submitted to Government it will be observed that I have included an addition of Rs. (50) fifty per month to the pay of the Second Assistant Master Attendant (Mr. W. H. Bartlett) and Rs. (50) fifty to the Manager of the Marine Office. In regard to the former, I beg respectfully to explain that I take this opportunity of restoring to him the rate of pay of which he was deprived from no fault of his own, when to meet the exigencies of the State he was removed from the Pier and transferred to the Master Attendant's Office on a reduced salary; and as henceforth he will, as my Second Assistant, have to supervise the Pier accounts, I consider this a legitimate means of restoring his former rate of pay.

Marine, No. 304, dated 30th November 1869. It is Rs. (50) fifty per month to the First Assistant Master Attendant for supervision of the Pier accounts. It appears from paragraph 7 † that this sum was granted chiefly as an

indemnity for reduction of pay to that officer, and as his work has very much increased since 1869, there is good reason why the grant should be continued. The supervision of Pier accounts will be lessened by the withdrawal of the tolls hitherto paid direct to this office, but all the accounts connected with the repairs, contingencies, &c., remain as before. I beg to leave this item to the favorable consideration of Government.

GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following papers :—

From J. H. TAYLOR, Esq., Lieut., R.N.R., Master Attendant, Madras, to the Chief Secretary to Government, (through the Accountant-General), dated Madras, 1st February 1884, No. 1015.

Administrative department.

With reference to G.O., No. 602, Miscellaneous, Marine, dated 11th December 1883, I have the honor to submit the accompanying proposition statement for the whole establishment required to carry out the work connected with the Madras harbour and the levying of dues. It will be seen that the pier establishment is merged in the proposed one, and that the beach establishment, sanctioned in G.O., No. 376, Marine, dated 17th July 1883, is also embodied in it. As shown in the statement, the consolidated establishment will amount to Rs. (1,392-8-0) one thousand three hundred and ninety-two and Annas eight, and deducting the cost of the present pier establishment, the net increase will only be Rs. (756) seven hundred and fifty-six, to which I have to solicit the sanction of Government. This establishment and the preventive staff to be under the control of the Marine department, for it would be obviously impossible for me to answer for the administration of such a service satisfactorily in other hands and authorities.

From H. F. CLOGSTOUN, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 14th February 1884, No. 445.

Presidency Audit department.

I have the honor to forward herewith letter from the Master Attendant, Madras, No. 1015, dated 1st February 1884, with proposition statement on account of the harbour establishment, the entries in the column of present scale showing the strength of the pier establishment having been verified and found correct.

2. The pay proposed for the Deputy Superintendent, Mr. Hutchence, is a progressive one, rising from a minimum of Rs. 150 to a maximum of Rs. 200, by annual increments of Rs. 25. I would invite the attention of Government to section 47 of the Pay and Acting Allowance Code, which requires that a progressive pay shall not ordinarily rise from a minimum to a maximum by less than five equal yearly increments. The increase on account of the establishment will amount, according to Captain Taylor's proposition, to Rs. 756, but, should the increments be sanctioned in accordance with the requirements of the code above mentioned, to Rs. 743-8-0 according to Civil Account Code, chapter 4-5, note 1.

6TH MARCH 1884, No. 99, MARINE.

ORDER—dated 6th March 1884, No. 99, Marine.

Sanctioned. The entire cost of the establishment, as shown in the proposition statement, amounting to Rs. 1,392-8-0 per mensem, will be charged against the dues levied under Act VI of 1882.

2. The provisions of section 47 of the Pay and Acting Allowance Code will not be enforced in this case, and the annual increments of Rs. 25 proposed by the Master Attendant will be passed to the deputy superintendent.

7. Sick leave granted during the service. *Nil*
8. Disease or cause of disability. *Undue formation of fat.*
9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

This Port Traffic Manager was sent up by the head of his department on the 18th December 1895 as being unable, by reason of his excessive corpulence, to perform the duties appertaining to his appointment, which necessitated constant exposure to the weather at all times upon the Pier & Beach.

I am of opinion that he is quite unfit for his duties in consequence of undue formation of fat. He complains that he pants on any exertion and also suffers from giddiness. Sleep is disturbed by suffocative feelings. Appetite said to be capricious, says he suffers very much from dyspeptic symptoms. I find heart's action is feeble and his pulse slow, 60. Urine free from albumen and sugar.

It is reported that his father while preparing to go to office suddenly expired from heart disease. Disease contracted on general service and not the result of his own imprudence.
