His Excellency the Governor
in Council
Fort Saint George
(thru the Collector of Kurnool.)

The humble Memorial of
Samsi Ananda Rao, late 2nd Gimmasta of Cumbum
Taluk, Kurnool District, most respectfully
Shower.

I That the implied pension
of Rupees 11 granted him in G.O. No. 1449
dated 15th November 1894, Pension Dept.,
is not the full amount earned.

II. That the cause of reduction
is stated to be that the Memorialist's
conduct and character have not been
"thoroughly satisfactory."

III. That as to this the Collector's
remark in the Pension application
was that his past conduct was good
and there was "nothing against his
character."

IV. That the Government's remark
seems therefore to have been based only
on the punishments the Memorialist had
as they appear on paper.

V. That these punishments were
(1) of 15 days suspension for the
venial fault of despatching a
demand notice without noticing
that it was sealed, and
(2) of his degradation at the
retiring time.

VI. That the first is a case in
which, to say the least, an unduly
severe punishment was passed. It would
in all probability, have been upset
by the Board, if an appeal had been
made, but this was not done, as the
Memorialist was advised to remain

quiet, if he only wished not to debar himself from further promotion. That this is generally the case with the lower Subordinates who are made scapegoats of the offences for which others are responsible, is a thing within the knowledge of almost all. The Memorialist need not therefore say much about it.

VII. That as regards the degradation the cause was incompetency and supposed indolence, due of course to bodily infirmity.

VIII. That the Collector went deeply into these things, took the infirmity into careful consideration and was at last convinced that the order of degradation passed by him was one which, circumstances, did not call for, had he only known the Memorialist's bodily infirmity & his intention to retire soon.

IX. That it was because of this, that he finally wrote in the Pension application that the Memorialist's past conduct was "good" & that there was "nothing against his character."

X. That the Memorialist therefore most respectfully prays in conclusion, that His Excellency in Council will graciously be pleased to take his poor case into benign consideration, and modify the order already passed, by granting him the full pension admissible under the rules.

For this act of charity and kindness, he shall as in duty bound ever pray

Your Most Humble Memorialist
Sanji Ananda Rao

Revenue, Madras.

2. As regards his suspension,
I can say nothing, as the
records are not available.

3. His incapacity, which
was the cause of his reduction,
may have been partly due to
partial paralysis of the right
hand as certified to by the
District Medical Officer.
