Report humbly submitted by S. Gopaliah, Central Nazir, Tanjore.

Most honored Sir,

I humbly beg to report that Sami Row, Process Server No 4 of the Central Nazarat Tanjore, was entrusted for service on the 2nd Instant with 11 processes, 4 of the District Munsiffs' court, 4 of the Sub Court, Tanjore, and 3 of the District Munsiff's Court of Tiruvady, returnable on the 5th & 6th Instant, the dates of hearing of some of the suits to which the processes appertained. On the 5th Instant he came to Court to return a process—witness summons—the endorsement of service thereof was most shabbily written as will appear from the enclosed summons. On the 6th when he ought to have returned the other 10 processes he did not attend the Court but returned them on the 7th having served only 3 of them and the remaining

6/9/93

7 unserved. He has put in along with the said processes a report× stating that out of the 11 processes given to him for service he served and returned one on the 5th and of the remaining 10 he served only 3 and was unable to serve the other 7 processes as he was suddenly taken up with a severe pain on both the calves of his legs. He has also put in a separate report× to say that he is not able to render further service and that the Court may be pleased to grant him pension and appoint his heir in his stead.

× herewith sent

× herewith sent

On the 5th Instant when he returned the witness summons he was not in his proper senses and appeared to me to have been drunk. The endorsement of service made on the back of the original summons shews that the peon could not have been in his senses even at the time of effecting its service because it states he has served the copy thereof on one Perama Pillay who is not a witness to be served but a party at whose instance it was issued. The summons was issued to the 4 witnesses mentioned in the original summons and all these four have been duly served by tendering a copy to each witness. How the peon came by a 5th copy of the summons is not known. The peon on being called to explain, ~~he~~ states that when he asked Perama Pillay to attest the service of a summons on a witness, he has, by mistake, written that he received a copy of the summons with witness batta annas three. I do not believe the peon's statement that Perama Pillay wrote the acknowledgment of service by mistake for the writing between Perama Pillay's signature and the acknowledgment of service differs - I do not also believe the peon's plea of illness for, if he had been really ill, he might have submitted a report to the Court together with the processes which he had not executed. It has been customary with him to set up the plea of illness whenever he absents himself without leave.

This peon has been fined

one Rupee on the 11th August 1892 for not returning the processes in time and suspended for a month on 17th July 1891 for absenting himself without leave

For the circumstances above stated I humbly beg to suggest that the same may be suspended for three months.

Report humbly submitted by the Central Nazir, Tanjore

Most honored Sir,

I beg to bring to your honors' notice the conduct of Sami Rao, Process Server of the Central Nazarah, Tanjore, in not having executed and returned in time the processes delivered to him for service and in absenting himself without leave for 2 days.

He was entrusted on the 17th Instant with 20 processes for service, 5 of them being returnable on the 19th, and the remaining 15 on the 22d idem. On the 19th he returned the 5 processes with clumsy and inaccurate returns of the mode in which they were served but did not return the unexpended batta, annas 9, which appears, to be the amount not spent by him on account of witness batta, from the fresh returns ho

The pem Shd be directed to apply for gratuity & retire. If he does not do so in ten days his case will be taken up & dealt with

GP
31/10/94

As he is fit for further service, the matter must be gone into.

The pem was given processes to serve on the 17th 5 returnable on the 19th & 15 on the 22nd

He made no rept. till the evening of the 23rd when he sent back the 15 processes alleging that he was too ill to execute them or go out. There is nothing but his he has written on them on the 24th idem.

On the evening of the 23rd idem, he sent a report through his neighbour, Krishna Kottan, forwarding to me the remaining 15 processes, 4 of which had been executed but bore no return of service, and 11 not executed, in one of which the hearing time was over by that date, together with unexpended batta Rs 6.15.0, which includes also the 9 annas above referred to, and stating that he failed to execute them on account of some windy complaint and chest pain with which he was overtaken, while he was about to go out to execute them.

The peon has been once fined and suspended for a month by Mr Daniels and at another time suspended for 3 months by Mr O'Farrell for similar faults.

The peon's report is herewith submitted.
