a Clerk in the P. W. D. Secretariat

His age is by his own statement 50 years and by appearance about 50 years.

I consider D. Aravamoothu Nayudu to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs in consequence of Asthma and Cataract.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

This Clerk, employed in the Office of P. W. D. Secretariat, is reported by the Under Secretary to Government to be a sufferer from Asthma for many years past & to have had 2 years' furlough without any benefit to his health.

I have examined him and find that he is a confirmed Asthmatic. He says that he becomes partially insensible when he gets a severe attack. His heart's action is weak. Pulse small and feeble. He is somewhat corpulent and his eyesight is defective from senile Cataract in both Eyes. I consider him unfit for further Service and recommend him to be pensioned.

Disease contracted on general Service and not the result of his own imprudence.
