READ—the following paper :—

From the Surgeon-General, No. 87, dated 7th February 1896.

ABSTRACT.—Submitting a memorial from Z. Lewin, late First-class Hospital Assistant, appealing against an order by the Surgeon-General dismissing him from the service for recording two contradictory *post-mortem* certificates under suspicious circumstances in a case of supposed murder, which, on the strength of the second certificate, was treated as suicide.

ORDER—No. 298, Public, dated 27th February 1896.

From the papers read above, it is clear that Hospital Assistant Z. Lewin is quite unfit for the responsible position of a hospital assistant. The Surgeon-General's orders dismissing him were amply justified; and are confirmed accordingly.

2. The District Magistrate's report on the case will be forwarded for perusal to the Inspector-General of Police, whose attention will be specially directed to the opinion expressed in the concluding paragraph.
