CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Submitted to Government. The applicant commenced service in the Salt Department on the 1st December 1866, and continued to serve up to 10th December 1879, when he was dismissed from the service "for heavy wastages in heaps stored by him." He remained unemployed for a period of 2 years and 8 days, that is up to 19th December 1881 when on appeal the Board of Revenue in its Proceedings No 10294 dated 2-12-81 directed that he be restored to his office. As that order did not declare that the past services of the reinstated officer should count for pension in conformity with Article 461 of the civil Service Regulations, the period of non-employment has to be regarded as an interruption entailing forfeiture of the applicant's past services. Should Government however be pleased to condone the interruption, agreeably to the recommendation made by the Board of Revenue in para 2 of Proceedings No 238 dated 21-1-96 enclosed, the applicant's whole qualifying service in superior grades will amount to 26 years 6 months and 19 days, and will entitle him under articles 485 and 518 (b) of the civil Service Regulations to an Invalid pension not exceeding Rs 15-- per mensem equal to 30/60 of his average emoluments.

2. The applicant's character and past conduct are given as "good" in the remark opposite to No 1 on the 3rd page of the application but from the entries opposite to No 2 on the same page they would seem not to have been entirely satisfactory. It rests therefore with Government to determine whether any and if so, what reduction should be made in the amount of pension certified to be admissible to him in the preceding paragraph.

3. The delay in the submission of this application is explained by the Board of Revenue in its Proceedings quoted above.

Read letter from the Deputy Commissioner, Central Division, dated 14th May 1891, No 2083, reporting on the petition of Sub-Inspector Govindu Chetty appealing against the order of suspension for 3 months.

Resolution.

Considera

consideration has been given by the Deputy Commissioner to the very improper and undignified conduct of the latter officer, which no doubt largely contributed to render impertinence on the part of a Subordinate possible.

Reco letter from the Assistant Commissioner, Chingleput Sub Division dated 19th February 1896 No 688 informing that the information called for in connection with the Pension application of S. Govinda Chetty, late 5th grade Sub Inspector, Vegaler cannot be furnished as certain annual returns are not forthcoming and returning the enclosures to certain Board's Proceedings

Resolution

Objection No I. The Accountant General points out in his letter No $\frac{ADK}{399}$ dated 4th February 1896 (which is herewith returned in original with the enclosures) that the name of the applicant (S. Govinda Chetty) does not appear in the annual returns of 1888 and 1891 on record in his office. On the 1st April 1888 the applicant was attached to the Bellary circle but was under suspension. His name should have been shewn as such in the annual return of that circle for that year. The applicant was attached to the Cumbum circle up to 18th January 1891 when he was suspended for 3 months and transferred again to the Bellary circle with effect from the expiry of the suspension. He accordingly reported himself for duty at Bellary on the forenoon of the 19th April 1891 The period of his suspension was however reduced to one month by the Board in May 1891. His name should have been shown in the annual return of the Establishment of the Cumbum circle as it stood on 1st April 1891. The Inspectors, Bellary and Cumbum circles will be requested to explain why the applicants' name was not shewn in the annual returns for the years referred to

2. Objections 2 and 3. The Assistant Commissioner, Chingleput Sub Division reports that as the annual returns for the years referred to in the objections are not forthcoming in the office of the Inspector, Ennore

2. The enclosures are returned.

3. With regard to the delay remarked in Board's Proceedings No 238 Mis dated 21st January 1896, Mr C. Saravana Mudaliar explains "that the Sub-Inspector was transferred from the Ennore circle to Vayalur only on 10th June 1895 and the Service book was received here during my predecessor's

time

time, and the Head clerk who was here at the time the Service book was received, has also been transferred. Besides, nothing being under correspondence regarding the Service book &c of the Sub Inspector, it was thought that everything would be complete up to date as the service books, since the receipt of frequent orders regarding their maintenance, are generally examined as soon as they are received from another place. I came to this circle only 2 months before his retirement. Great care will be taken in cases of this kind and a recurrence of such delay will be avoided in future".

The Inspector, Emore circle, should have seen that the Sub Inspector's services have been verified up to date of his transfer to the Voyalur circle"

" I have the honour to submit herewith for sanction the pension application with connected records of Sub Inspector S. Govindu Chetti 5th grade Sub. Inspector of the Vayalur Circle in consideration of his superior qualifying service of 26 years, 6 months and 20 days.

2. This applicant was dismissed for heavy wastages in heaps stored by

Him

him and was out of employment for 2 years and 8 days from 11th December 1879 to 18th December 1881. He was afterwards restored to his former appointment as per Board's Proceedings No 10294 dated 2nd December 1881. This order of the Board is not forthcoming with records of this and the Cumbum Circle Inspectors offices – but a copy of the order issued from this office ordering the restoration of the applicant is enclosed. As the Board's order reinstating the Sub Inspector is not forthcoming, I am unable to find out whether the past Service of 13 years and 10 days prior to the reinstatement has been ordered to count towards pension or not as per article 461 of

the

the Civil Service Regulations. However, I have taken the Service as qualifying for pension under article 465.

3. The applicant was suspended for 3 months from 19th January 1891 for making a false report against his Superior and being insubordinate – Subsequently the suspension period was reduced to one month in Board's Proceedings Mis No 1698 dated 26th May 1891, which order, the Inspector reports, is not forthcoming either in the Bellary Circle office where the applicant was then employed or in the office of the Assistant Commissioner, Arcot Sub Division.

4. As the applicant has been pronounced to be unfit for further Service on account of chronic Glaucoma, he

was

was not sent to another Surgeon under Article 487 (b) of the Civil Service Regulation.

5. The delay is due to the Inspector of the Vayalur Circle who explains as follows:—

"The delay in the submission of this pension application is due to non-receipt of reply till 15th December 1895 to this office letter No 1318, dated 12th November 1895 to Inspector of Salt and Abkari Revenue, Bellary Circle to furnish copies of records for suspension of the Sub Inspector from 19th January 1891 to 18th February 1891 and also to verify and certify period of service from 1st to 21st August 1882, which was left unnoticed hitherto and for which the Sub Inspector said, he

drew

"drew his pay in that circle. Two reminders were sent to that officer on 23rd November 1895 and 4th December 1895, and his reply was received only on 6th December 1895, stating that he sent the available records to the Assistant Commissioner, Arcot Sub Division with a request to send them direct to this office with a copy of Boards Proceedings No 1698 Mis dated 26th May 1891 reducing the suspension period of 3 months to 1 month which is not forthcoming in the Bellary Circle office. But the reply from the Assistant Commissioner Arcot Sub Division was received only on the evening of 15th December 1895." "

Resolution

Resolution.

The application for the grant of an Invalid pension of Rs 15 per mensem on behalf of S. Govinda Chetty late 5th grade Sub Inspector, Vayalur Circle, will be forwarded together with the records noted in the margin, to the Accountant-General, Madras, for submission to Government.

2. The applicant was dismissed from the service in December 1879 but on appeal, he was reinstated by the Board in its Proceedings Mis No 10294 dated 2nd December 1881. (copy attached). In reinstating the applicant, the Board did not pass any orders as to how the period during which he was out of employ, from the 11th December 1879 to the 18th December 1881, should be treated. In consequence of the omission the applicant's previous service amounting to 13 years and 10 days has to be rejected. As the omission was probably due to inadvertence, the interruption in the service may be condoned by Government, under ~~Article~~ clause (ii) of Article 465 of the Civil Service Regulations.

3. The applicant's medical certificate is dated the 6th November 1895 and

the

the Service rendered by him after that date does not count. Vide Article 499 of the Civil Service Regulations. The necessary correction has been made in this office in the pension application.

2. The delay in the submission of the pension application is reported to be due to the nonverification of the applicant's services from the 1st to the 21st August 1882 and to the non-receipt of certain records relating to his suspension from the Inspector Bellary Circle. As it has been repeatedly impressed upon all officers that the verification of Service-books should be completed prior to the retirement of an officer so that no delay may occur in the submission of his pension application, the Assistant Commissioner, Chingleput Sub Division is requested to call upon the Inspector Vayalur Circle to explain why he failed to notice that the applicant's services for the period above referred to had not been verified, and why copies of all the records connected with the applicant's dismissal and suspensions were not got before and attached to the Service book.
