Circular No. 5 F., dated the 7th May 1890, forwarding extracts from a Despatch from Her Majesty's Secretary of State, No. 41 (Financial), dated the 6th March 1890, relative to the memorials submitted by covenanted officers of the Forest Department, praying for the extension to them of the special Pension Rules sanctioned for similar officers of the Public Works and Telegraph Departments.

(ii) Resolution in the Finance and Commerce Department, No. 1303 P., dated the 18th March 1895, extending the scale of pensions laid down in article 712 of the Civil Service Regulations to officers of the Forest Department who have been, or may hereafter be, appointed from England to that Department.

READ also the following Despatch from Her Majesty's Secretary of State:—

No. 230 (Financial), dated London, the 26th December 1895.

From—LORD GEORGE FRANCIS HAMILTON, *Her Majesty's Secretary of State for India,*

To—*The Government of India.*

I HAVE considered in Council Your Excellency's letter dated the 23rd of October, No. 299, respecting the advisability of granting to the existing members of the Indian Forest Service the advantage of special pensions, corresponding to those granted some 12 years ago to the Public Works Department.

2. You rightly state that such a concession has been repeatedly recommended by the Government of India since 1885; but it has been more than once pointed out, in reply, that privileges granted for exceptional reasons to one Department need not, therefore, be granted to another Department which in many respects was on a different footing.

3. Lord Kimberley's Despatch of the 21st September 1893, No. 188, was intended to settle the question by laying down corresponding conditions for all Departments in future—an arrangement to which Your Excellency has given effect by your orders published on the 18th of March last.

4. I see no reason for now re-opening the question. The Forest officers, whether at present in your service or hereafter to be appointed, will be entitled, if recommended for special merit, to an extra pension of ₹1,000 per annum after three years of approved service as the head of the Department in any province.

5. As to the precise manner in which this regulation shall be applied, I notice that you propose to make a further communication.

ORDER.—Ordered that a copy be forwarded to the Governments of Madras and Bombay, the Local Governments and Administrations noted in the margin, and the Inspector General of Forests, for information and for communication to the officers of the Forest Department appointed from England who may be serving under them.
