CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL

Certified that qualifying Service in inferior Grades has been duly proved for 31 years 7 26 days and that an Invalid Pension not exceeding Rs 3-- per mensem equal to 1/2 pay is admissible under Articles 485 and 524(6) of the Civil Service Regulations 2nd Edition. The calculations have been duly verified.

2. The applicant was granted leave without allowances for a period of 28 months at the close of his Service. If the leave had not been granted the applicant would not have been eligible for a pension. The grant indicates an abuse of the concession granted by the rules. The explanation furnished by the Collector in reply to a reference made on the subject does not seem to be satisfactory.

3. The delay in the submission of this application is explained by the Collector in his letter No 5677 dated 3 October 1895 attached.

4. In accordance with Rule 3 under Article 994(6), the attention of Government is respectfully solicited to Article 574 of the Regulations.

Certified that I have carefully examined Lanka Subbadu son of Lanka Venkaya a Peon in the Taluk office, Ellore. His age is, by his own statement 52 years, and by appearance about 60 years. I consider Lanka Subbadu to be completely and permanently incapacitated for further service of any kind (or in the department to which he belongs) in consequence of Diabetes and Cataract. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

SIR,

I have the honor to forward herewith a pension application on behalf of Lanka Subbadu, late peon in the Taluk office Ellore, together with the Service register, the Last pay Certificate and the Medical Certificate granted by the District Surgeon Rajahmundry as to his unfitness for further Service.

2. He has a total qualifying service of 31-0-26. He is therefore entitled under article 485 of Civil Service Regulations to an invalid Pension of Rs 3 per mensem.

The application was received in my office on the 24th instant and the delay in its submission by the Head Assistant Collector is attributed to pressure of work in

his office. The explanation is certainly
not satisfactory and he has been
so informed and directed to fine
the subordinate responsible for it.

SIR, In returning herewith the bundle of correspondence relating to the pension application of Lanka Subbadu, received with your letter No 4DK/320 dy 20 th ultimo, I have the honor to state as follows.

objection 1. The Head Assistant Collector reports that the date of first appointment of the applicant was 29-6-1864 and 24-11-64 noted in the annual Returns was a clerical error.

obj. 2. The 2 days (10 th and 11 th December 1887) during which the applicant was in transit were treated as leave on loss of pay and consequently they were not rejected as non-qualifying. A note was made in the service register and the pension application corrected accordingly.

obj. 3 In the column "Date Verified" the records with reference to which the service was verified is now noted in the pension application.

obj 4 The date and reason of termination of the applicant's service is inserted in the appropriate

1. In the application and in the Service book the applicant is stated to have enjoyed leave on loss of pay from 1st December '92 to 24th July '95, whilst in the Last pay certificate he is shown to have been granted such leave only from 1st April '95. The discrepancy should be explained.

2. Attention is drawn to Article 457 of the Civil Service Regulations; a memorandum of calculation showing the amount of leave without allowances which the applicant can, under that article, count as service for pension, should

~~1. Explanation why his name does not appear in my Office records for~~ be furnished

3. It is presumed that in granting to the applicant leave without allowances for nearly 32 months (1st December '92 to 24th July '95) the officer who granted the leave was satisfied that no other leave was admissible to him (Article 372 of the Civil Service Regulations), and that he was aware of the fact that the applicant could claim the whole period of his absence as service

~~2. Office records show applicant enjoyed leave from ——— to ———, whereas in the history of services~~ for pension. It is observed that if the leave had not been granted the applicant would not have been eligible for a pension, but only for a gratuity.

In reply to your ref. on cur no 6213/acc of 95 dt 16-1-96 I have the honor to state that the entry in the service register and pension application that the applicant had been on leave and loss of pay from 1st December/92 to 24th July/95 is a mistake. From the pay abstracts available in the Ellore Sub-treasury office it appears that he was on duty from 30th October/92 to 24th march/93 both days inclusive and that he was on leave on loss of pay from 25th march/93 to 24th July/95. The last entry in the pension application and that, viz, leave on loss of pay from 1-12-92 to 24th march/93 in the Service Register are apparently erroneous They should be corrected as explained above.

The Collector of Godavari.

Sir,

With reference to para 3 of your Deputy's letter No: 108 dated the 4th February 1896 received with your endorsement No: 6213, dated the 13th Idem, stating that the Officer when granting to the applicant L. Subbadu, leave without allowances for such a long period as 2 3/12 months at the close of his service, was aware of the fact that the applicant could count the whole period of his absence for pension, I have the honour to invite attention to Note 1 Article 220 and to Article 372 of the Civil Service Regulations, and to request you to be so good as to state for the information of Government what the necessity

was

was for the grant of the leave.

A glance at the service history of the applicant shows that this was not the first instance in which such an indulgence was shewn, but on a previous occasion also similar indulgences were granted besides various occasions (pretty round) on which periods of leave were enjoyed at short intervals.

All the papers connected with the case are herewith forwarded and should be returned with the reply at an early date.

Kyphial taken from Lanka subbadu, late peon
Ettore Taluk -

The officers under whom I served used to grant me leave at times saying that I was unable to discharge my active duties on account of Piles, Asthma and Diabetes to which I was a victim. At last, after a time, I had a defect in the eyes and was consequently unable to see. I therefore applied for pension leaving all hope of further service in the appointment. The then officers observed the truth of my complaints and were convinced of my inability to attend to duty and I was obliged to apply for leave for more than 2 years. I did not then produce a medical certificate as I was not ordered to do so by the officers, but when I applied for pension the Tahsildar directed me to produce a medical certificate to shew that I am incapacitated for further work and I therefore produced the medical certificate from the District Surgeon. I remember that the certificate contains the above complaints stated by me.
