Soliciting orders of Govern-

Submitted to Government. T. Kuppu
 Pillai, was granted a Retiring pension
 of Rs 3-12-0, per month, under Government
 Order No. 1335 dated 20th October 1888.

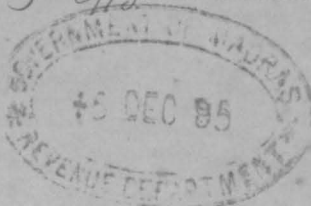

In the circumstances, stated by the collector
 should Government see fit, it can sanction
 T. Kuppu Pillai's re-employment with retros-
 pective effect from 21st September 1888, under
 article 576 of the Civil Service Regulations,
 in which case, he will be exempt from
 refunding the pay irregularly drawn by
 him from the date of his re-employment.

It is apparent from the collector's letter
 that Kuppu Pillai has been holding the
 appointment of lamp-lighter in the Tri-
 vellore Union Office under the Local Fund
 Board from about one month and eleven
 days from the date of his retirement in the
 Government Service, viz 15th August 1888. It may
 be that he retired with the view of being re-
 employed; which is objectionable under
 Article 510 of the Civil Service Regulations.
 It is for Government to determine whether it
 will accept the plea of ignorance of rules
 as a sufficient excuse for his signing a
 non-employment certificate through out the
 period of his re-employment.

Account

Chingleput District Collector's Office,
Saidapet 25th Nov 1895.

From G. L. Forbes, Esquire,

Collector of the
Chingleput District,

To

The Secretary to Government,
Pension Department,

(Through the Accountant General) Madras.
SIR,

I have the honor to submit for the consideration of Government the following case in which one T. Kuppa Pillai ^{foot} a pensioner has drawn pension during his reemployment.

2. In the old form of acquittance roll of pensioners (Exhibit A) prescribed by the Account Code, and in use in the taluks up to the end of April 1895, two certificates were printed at the top of the pension bill, one an acknowledgment of the receipt of the contents, and the other a declaration as to the pensioner's non-employment either in a Government Establishment, or in an Establishment paid from local funds. The pensioner affixes his signature in column 9 against his name, and the amount received by him. In so affixing his signature, he was,

it appears, presumed to have subscribed to the two certificates referred to.

3. On the 11th December 1894, the Accountant General issued a circular no. XII (Exhibit B) introducing a new form of acquittance roll (Exhibit C) with two separate columns for each pensioner's signature, the heading of one column embodying the non-employment declaration and the other the acknowledgment of the amount. This order was duly communicated to the Tahsildars by this Office Circular no. 168 dated 24 December 1894 (Exhibit D).

4. The forms for Tiruvallur taluk were printed on the 19th April 1895 and were brought into use there in May.

5. One T. Kuppu Pillai late a Constable on Rs 8 in this District who has been drawing a pension of Rs 3-12-- per mensem at the Tiruvallur taluk treasury from the 21st September 1888 refused to sign the non-employment declaration in the new form saying that he was employed as a lamplighter in the Tiruvallur Union office on a monthly salary of Rs 4. When this was reported to the Accountant General, he directed in his letter no. IAD dated 29th October 1895 that

the amount of pension drawn by Kuppu Pillai should be recovered. By this time the pensioner had been paid his pension for August 1895. As it was then ascertained that the pensioner had been all along employed from the date of his pension (21st September 1888), the Accountant General ordered that the pension drawn by the pensioner from 21st September 1888 to 31st August 1895 amounting to Rs (312-8--) three hundred and twelve rupees eight only should be recovered from him, or that the sanction of Government should be obtained to the pensioner's employment under Article 576 of the Civil Service Regulations. At the same time the pensioner was called upon to explain why he had continued signing a non-employment certificate all these years. His explanation has been obtained (vide translation put up). The pensioner states that he was not aware of the rule prohibiting his non employment nor the fact that he was signing the certificate referred to above. I have no doubt that this explanation is true. The man is poor and unable to refund the large amount drawn by him.

Considering the long period during which the man has been in employment, drawing the pension at the same time; that the mistake was evidently bona fide; and that it is probably now too late for him to obtain more remunerative employment which he might have secured if he had known his position in 1888, I am of the opinion that the case may be treated specially and the sanction of Government accorded under Section 576. If this view is accepted, I solicit the early orders of Government for the pensioner's this employment in Local Fund Service with retrospective effect from the 21st September 1888. He has not been paid any pension from the date of the Accountant General's order.

CIRCULAR No. XII.

Fort St. George,
Accountant-General's Office,
11th December 1894.

ACCOUNTANT-GENERAL

TO THE GOVERNMENT OF MADRAS,

COLLECTORS AND TREASURY OFFICERS.

As has been brought to notice that pensioners are sometimes paid their separate signatures being obtained to the certificate of employment on the Pension bill (Form 40) prescribed in article the Civil Account Code. This was probably due to its position form, and a new form has now been prescribed in which a state of non-employment and a receipt for the pension are entered heading of two columns in each of which the signature of each pensioner should be separately taken against the entry of the payment to him.

2. The names of the Pensioners and the amount of their allowances should, as usual, be printed on a sufficient number of the forms which should be on foolscap paper, but a few of the form should be printed about these particulars for odd payments that may have to be made over the 10th of the month.

3. All separate receipts, taken from pensioners, together with the certificates, should be strung together, the Permanent Pay order number being conspicuously entered on the top of each such receipt and life certificate.

I have the honor to be,

 Civil servant of the Government of Tiruvalur
 I was getting a salary of Rs. 8 per
 month as to police constable. Deducting
 leave days &c, I was given a pension of
 Rs 3-12-00 per month which I was getting in
 the Taluk Treasury of Tiruvalur till the
 month of August 1896. My pension was stopped
 for September and October last. I was employed
 as lamp lighter in the Tiruvalur Union Office
 and was getting monthly Rs 3, 2 1/2 and 4 at
 different periods. As I was informed that I
 may be employed on a salary not exceeding
 the pay I was getting before I was pensioned

In this case the bona-fides of 13

This is a hard case, but I submit
that there are no "strong public
grounds" for the full retention
in his present employment; it
may be argued that as he was probably
acting bona-fide, it is inequitable
that Govt. should act so harshly
as to revoke the pay he has
drawn. Submit that he may
be given retrospective permission
to draw 'pay + pension' on
condition that his services are
discontinued with at once.

The Local Municipal P.O.'s

may add that the people
in the P.O.'s office seem more
to blame than the pensioner. They
must have known that he was the

23/12/95

As regards this particular case
I can find no special ground for
exemption on the basis - Inasmuch
it would be harsh and even cruel
to insist upon retrenching from a
man in the pensioner position,
so large a sum as Rs 312.5.0 for
what, after all, so far as he is
concerned, was only a breach of
rule, which, according to the collection
book, was committed in ignorance.
I submit, therefore, that the basis
employment in the past must be
sustained on the presumption of
ignorance - but there is no sufficient
ground for future indulgence.

As to the question whether this
case should be dealt with only in
the Pension Dept, I observe that
it would seem proper to refer to
the Dept, in which it is proposed
to re-employ a pensioner, to
determine whether or not there are
good reasons for relaxing the rules;
nevertheless if all cases could be
dealt with by one Dept - i.e.
Pension - uniformity would be
maintained
