DESPATCH
 21

TO

His Excellency the Right Hon'ble
the Governor-in-Council, Fort St. George.

The humble petition of A. Ramaswami
Pillai residing at Pycrofts Road
No. 40. Triplicane.

Most Respectfully Sheweth,

That C. Thiruvengada Mudali of late a clerk, in the
Superintending Engineer's Office, 5th Circle D.P.W. Madras, is
now a prisoner in the Civil Jail from the 20th November last.

2. That whilst he was in service, his pay was often sub-
jected to attachments in the execution of decrees obtained ---
against him for debts due by him, and he bought over his imme-
diate superiors to prevent them from taking the requisite action
which the Government expects of them, as may be apparent from
the rules in the chapter of the "Rules for the conduct of the
public servants" headed "the Indebtedness of public servants".

3. That he has contracted these immense debts by his
intemperate habits and I hear it was by this that he squandered
away a major portion of his property which was immense.

4. That seeing his debts on the increase and being con-
stantly troubled by his debtors he made over or rather announced
to the public that he had no interest in the properties still
remaining and that they belonged to his brothers and nephews.

5. That with intent to defraud his creditors and deprive
them of the last means they had of recovery their debts by
attachment of his salary he wanted to retire from Government
service.

6. That with this object, he presented himself before
the District Surgeon on or about the 20th November last and
obtained a medical certificate unfitting him for further service
on the ground that his hands were nervous and shaky and this the

humble petitioner solicits permission to state was due to his intemperate habits which he contracted very early in his life and this may be ratified by referring the matter to the Superintending Engineer 6th Circle, Trichinopoly, who will corroborate the statements made here in that he had this defect whilst still young.

7. That the humble petitioner learns that on the 4th November he suddenly left Office to evade warrant in execution of a decree and obtained 4 days casual leave and eventually secured in an application for retiring and produced the medical certificate on or about the 20th November.

8. That on the night previous to this date he procured debt from the humble petitioner and it will be clear that his intention was to cheat this petitioner.

9. That in the Easter of 1895, C. Thiruvengada Mudali was arrested and detained in the Civil Jail for 3 days, his nephew being requested by him brought his release and this he was --- compelled to do because he was in service and least this might prove detrimental to him.

10. Now that he is only a pensioner, he is reckless and wants to defraud his creditors.

Therefore the humble petitioner requests your Excellency to pass stringent orders in this matter which is not the first of the kind and which is often resorted to by Government Officials who run head long into debts to escape the clutches of their creditors and

(a) that before passing such orders reference may be made to the Superintending Engineer 6th Circle as to the conduct of C. Thiruvengada Mudali.

(b) that the Mudali by any pressure being brought to bear upon him, be compelled to pay over the debts.

(c) and that such other relief as the nature of the case and the ends of justice may require be given to your petitioner
