CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Submitted to Government. The applicant once before retired in May 1893 and was granted on a Medical certificate by the then District and Medical Officer, Salem, an Invalid gratuity of Rs 36/- equal to six months pay for his qualifying service of 29 years 6 months and 7 days, under Government Order No 1039 dated the 23 September '93. In para 2 of that order the Government expressed its opinion "that the applicant should have been allowed to complete the full period of 30 years service required for pension". The applicant received payment of the gratuity and remained unemployed for a period of one year 9 months and 6 days, i.e. up to 25 February '95, when he obtained reemployment as peon in the ~~Hosur~~ Harur Dy: Tahsildar's Office on a Salary of Rs 6/- a month. He held this appointment up to 7 December 1895, and has now once more retired. It seems doubtful whether his service from 25 February to 7 December '95 can be admitted towards pension.

Surgeon Major Dymott, who examined the applicant in December '94 states in his letter addressed to the Head Assistant Collector of Salem of [illegible]

"I have examined Venkatappen and ~~found~~ find that he is still suffering from cataract in both eyes and from general debility."

"I cannot certify that he is fit for further service, but I think that he might as a special case, be allowed to serve on for six months. His duties, those of a peon, do not require that his vision should be particularly good." It is questionable whether this is such a certificate as will justify the reemployment of the applicant under Article 574 of the Civil Service Regulations.

Moreover, the present District Medical and Sanitary Officer, Salem, declines to grant a fresh medical certificate of the applicant's unfitness for further service for reasons stated in his letter No 146 dated 1-2-'96 enclosed. It will thus appear that in the opinion of two medical officers, out of the three who examined him, he should not have been reemployed, while the third officer (Dr Dymott) seems doubtful on the point.

Should Government be pleased to consider it a hardship to ignore his subsequent service altogether, having regard to Article 527 of the Civil Service Regulations and to the opinion expressed in the previous order on this case and to the reasonable expectations of the applicant raised by this re-employment, the case might, under Article 1005(b) of the Regulations, be submitted to Government of India, and the grant of a pension not exceeding Rs 3/- per mensem (equal to half the average pay of the applicant) recommended. Should on the other hand Government take a less favourable view of the case, the fact remains that the man (regularly or irregularly) was actually reemployed and did work for the doubtful period. I am not prepared to say that this subsequent service can be ignored or treated as non qualifying.

In ~~every~~ any case therefore it seems proper that the facts should be submitted to the Government of India.

In accordance with Rule 3 under Article 994(b), the attention of Government is respectfully solicited to Article 514 of the Regulations.

Assistant Collector Salem he was still suffering from the same affections and a certificate of fitness for service could not be granted, and when I examined the man in December 1895 his condition was precisely the same.

2. The Accountant General is mistaken in thinking that the Peon ever regained his health at any time after he was pronounced unfit for any further service in 1893 and it seems irregular that a medical officer should be requisitioned to examine a man as to his fitness for further service and then to set aside his certificate and call for fresh examinations and certificates under similar circumstances at long intervals.

Attention is drawn to No. —/— of the printed Memo. of Instructions from this office.

1. From the accompanying letter of the District Medical and Sanitary Officer Salem No 146 dated 1st February 1896, it would appear that no certificate of the applicants fitness for service was obtained from any commissioned medical officer, when he was reemployed on 25th February 1895. If so his reemployment should be justified with reference to Article 574 of the Civil Service Regulations and to this office letter No $\frac{140}{150P}$ dated 28th August 1894. If any such certificate was obtained as directed in this office letter quoted above it should be forwarded for submission to Government.

(1) The District Medical officer's certificate for the re-employment of the applicant was sent with Voucher No 229 of the 2nd list of payments for March 1895 to the Accountant General. The Medical officer has stated in the certificate as follows:—

(1) "I cannot certify that he (the peon) is fit for further service" "but I think he might, as a special case, be allowed to serve" "for six months. His duties, those of a peon do not require that his" "Vision should be particularly good".

(2) 7th January 1889 is the date on which the applicant was first appointed as peon Harur Deputy Tahsildar's office and it was therefore entered in the column "Date of appointment to present post" of the april list for 1895. 25th February 1895 is the date of his reemployment after an invalid pension.

As regards the date of his birth January 1844 is correct and 1855 is an error. This has already been explained in the remark column of the pension application.

Please see the Acctt-Genl's report which sets forth the applicant's case fully. In making the remark× that "he should have been allowed to complete the full period of 30 years' service required for pension", it is submitted, that it was not the intention of Govt. that he should be reemployed for the short period required for pension, and then retired. The Collector's action seems irregular. Orders are solicited as to whether the case need go up to India.

The following letter will be despatched to the Govt. of India

A.C.

13-5-96

Letter to the Secy. to the Govt. of India, Dept. of Finance & Commerce.

No. 414.

Sir

In view of the circumstances set out in the succeeding paragraphs of this letter I am directed to recommend that a special pension of Rs. 3/- per mensem may, under Art. 1005 (b) of the C.S.R., be granted to Kuruselappatti Venkatappan, late a revenue peon in the Tiruppatur taluk of the Salem District

2. Venkatappa was retired on

of defective vision coupled with debility. ~~It was at~~ His service register shewed that his employment commenced on the 17th January 1863, & excluding ~~his~~ a ~~total~~ short period of suspension his total service was ~~the~~ believed ~~& reported~~ to be 30 years two months & ~~eight~~ 7 days. A pension application was accordingly submitted on his behalf with the recommendation that he should be granted a monthly pension of Rs 3/-, being half his average emoluments. – The Accountant-General however ascertained that the entry in ~~his~~ the service-register was a clerical error for the 17th Septr. 1863. Venkatappan's total service was thus reduced to 29 years 6 months & 7 days which rendered him eligible only for an invalid gratuity of Rs 36/- A gratuity of this amount was

view of the fact that less than 6 months extra service would have rendered the man eligible for a pension, the Govt. remarked that he should have been allowed to complete the full period of 30 years' service.

3. A copy of this order was communicated to the Collector of Salem who subsequently re-entertained Venkatappan on the strength of ~~his having been declared~~ a certificate granted by the District Medical Officer ~~the~~ ~~fit for further service~~ "at least for "~~six months~~" in the following terms:–
"I have examined Venkatappan &
"find that he is still suffering from
"cataract in both eyes & from general
"debility. I cannot certify that he is
"fit for further service but I think
"that he might as a special case
"be allowed to serve on for six months
"His duties, those of a peon, do not
"require that his vision should be
"particularly good."

4. Venkatappan was re-employed on the ~~24th~~ 25th February 1895 & again retired on the 7th December 1895, the District Medical Officer's successor refusing to grant an invaliding certificate on the ground that a similar certificate

e.9/5 RS 12-15

had already been granted in May 1893

5. Venkatappan's total service now amounts to 30 years 3 months & 20 days; & he has refunded the invalid gratuity granted to him in Septr. 1893. He was re-entertained by the Collector for the express purpose of enabling him to qualify for a pension, & H.E. the G. in C considers that in these circumstances it would be a hardship to ignore the extra service although it is questionable whether the Dist. Medical & Sanitary Officer's certificate was such as to justify ~~his~~ re-employment. The Accountant-General a copy of whose certificate is enclosed is not prepared to ~~so~~ say that this subsequent service is non-qualifying, & accordingly recommends a reference to the Govt. of India

6. I am therefore to refer the case to the G. of I. for ~~orders~~ decision with the recommendation that a pension of Rs. 3/- p.m. may be granted to K. Venkatappan
