Dept.

Sir

I am directed to forward (for the orders of the G. of I.) the accompanying petn. from W. W. Green, late Inspector in the Salt & Abkari Department.

2 The petr. asks for copies of all the papers submitted to the Govt. of India with my letter no. 123 of 12. February 1896 which dealt with a memorial from him praying for re-instatement in the public service or condonation of a break in his service. The only enclosure to that letter was ~~the~~ a copy of the pension application submitted ~~with~~ on the petr's behalf, but the petr. presumably further desires a copy of the letter itself

warded to the Govt. of India 12.2.96 con-
pension application is an official document of a confiden-
tial nature & copy of it cannot be granted – vide Secy's
remark in G.O. 250/5.3.94 Pension herewith submitted; Copy
of letter to the Govt. of India cannot also be given

16/5 The app[illegible] is addressed to the Govt. of India & contains [illegible] of Secy to memorial – which however is not worth mentioning [illegible] in each of the case.

Rule 3 [illegible] of section III also applies but I doubt [illegible] whether it is worth while using it. If Govt. are not prepared to give a copy of the pension applicn. or of the letter to India, it will save time & trouble to forward the paper at once to India.
