CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Submitted to Government. The applicant began service as Head Master in the Anglo Vernacular School at Adoni on the 3d September 1861 on a salary of Rs 50 per mensem, and continued to hold it until 30 July 1869, when he was sent to Government Normal School at Madras for training and for the higher education with a stipend of Rs 25 a month. He pursued this course of instruction for a period of 3 years 6 months and 25 days, i.e. from 31 July 1869 to 25 February 1873, with a small break of two months in the interim during which he was employed as ~~asst~~ Telugu Master in the same school on an allowance of Rs 50 per mensem. After the close of his training he did not revert to his original appointment at Adoni, but was appointed as Assistant Master Zillah School at Salem on a reduced salary of Rs 30 a month. He held this post for a period of 2 years 1 month and 15 days viz from 26 February 1873 to 2d May 1875. This period of service being paid from the school fee Fund cannot count for pension. His service after the 3d May 1875 was continuous upto the date of his retirement

2 The Government in its order No 217 Educational, dated 18 June 1869, ruled that the time passed by the applicant in the Normal School should count as service for pension. Apart from this order, the applicant can claim that service under Articles 7 (a) and 449 of the Civil Service Regulations. In these circumstances his service from 31st July 1869 to 25th February 1873 has been admitted towards pension, whilst the period immediately following it, i.e. from 26 February 1873 to 2d May 1875 has been regarded as nonqualifying [illegible] Exception (e) to Article 413 of the Regulations

3 The applicants service reckoned from 3d September 1861 to 25th February 1873 and from 3d May 1875 to 11 July 1895, amounts to 31 years 8 months and 2 days, for which a Retiring pension not exceeding Rs 94 7 - per mensem equal to 30/60th of his average emoluments can be granted under Articles 509 and 518 (b) of the Civil Service Regulations

4 In paragraph 2 of his letter No 10763 dated 4th October 1895, enclosed the Director of Public Instruction brings to notice the overpayment of salary to the applicant for one day viz the 31 July 1869. The overpayment amounts to Rs 1. 9. 10; this together with annas 10 referred to in paragraph 3 of the same letter has to be recovered from the arrears of any pension that may be sanctioned to him

5 In accordance with Rule 3 under Article 994 (b) the attention of Government is respectfully solicited to Article 514 of the Regulations.

He however drew his pay for that month in full—.

SIR,

I beg to report that the subjoined extract from the Service Register of Mr. C. V. Kachayya Sastri, referred to me in your Memo No 2049 / 19-4-89, has been verified by the Chairman Municipal Council, who has the custody of the records of the late Government School Adoni

Appointment	Nature	From	To	Pay		
Headmaster Anglo Vernacular School Adoni	Perma-nent	31-7-61	31-7-69	50	0	0

2. The date of beginning the appointment given in the above extract is wrong; it is the 3rd September 1861, and not the 31st July as stated above.

3. Again the date on which ~~his~~ Mr. Kachayya's connection ceased with the Adoni school was the afternoon of the 30th July 1869 and not the 31st July. It is however said that Mr. Kachayya

Sastri drew pay for the whole July on the Adoni Establishment.

4. The above verification was made from the Acquittance Roll, letter books &c.

5. I herewith submit the Chairman's letter $\frac{\text{No } 39}{9 \cdot 5 \cdot 89}$ with its four enclosures for your perusal.

To

John Bradshaw Esquire, M.A., L.L.D.,
Inspector of Schools
Central Circle.

Sir,

Referring to the Proceedings of the Director of Public Instruction No. 2385 dated 15 March 1889, I beg to send herein enclosed my Service book for verification and return when no longer required.

2. I may divide my service into five periods:–

I. As Head Master, Government Anglo Vernacular School, Adoni on Rs. 50 from 1st August 1861 to 31st July 1869. This part can be verified in the Inspector's office, late Second Division, Bellary.

II. As student, Government Normal School, Madras, on moiety of pay, i.e. Rs. 25, from 1st August 1869 to 25 February 1873. This is to be verified from the records of the Teachers' College, Madras.

III. As School Assistant in the Zillah School, Salem, from 26 February 1873 to 2nd May 1875 on Rs. 30.

IV. As Deputy Inspector of Schools, Chicacole Circle, on Rs. 70, from 3rd May 1875 in the First Division. This part is to be verified in the Inspectors office late First Division.

V. As Sub Assistant Inspector of Schools, Madras, from 20th December 1888 on Rs. 175.

3. The dates of beginning in the periods I and II are only the dates of appointments and not of taking charge. The one can be ascertained from the Inspectors' Office, late 2nd Division, and the other from the Acquittance Roll of the Sub Assistant Inspectors' Office, Chicacole Range.

4. My going to the Normal School again is on a Government order, giving me a lien on my permanent appointment at Adoni. Hence pensionable.

5. It is doubtful whether the third period is countable towards pension. This concession is at the mercy of the Director of Public Instruction.

6. I further beg to state that as I had to open my Service Register on the 1st day of March 1877, I had no opportunity of getting it signed by any of the Inspectors of the 1st Division until Mr. Munro took charge of it. He at the time of quitting the Division signed and returned it to me.

7. Lastly, I beg to submit herewith x Copies of the marginally noted Proceedings of the Director of Public Instruction in connection with my promotions &c. during the interval of my service for your kind perusal and return. I submit them to you to identify my statements.

I beg to remain,
Sir,
Your most obedient Servant,

An affadavit from M. R. R. Abboy Nayudu Garu regarding my services in Zillah School, Salem, is also enclosed.

2. A Memo showing the calculation of the "average emoluments" is also herewith submitted for your information.

3. From the calculation you will be pleased to observe that by about the end of November next I shall be earning a pension of Rs. 100 per mensem in full which I have long been hoping for and it is not known why the Director

was not pleased to comply with my request for so short a period.

Sir,

With reference to your Endorsement No. 3388B / 2-6-95, returning my Pension Application, I have the honor to resubmit the application with all its enclosures, making the corrections pointed out in para 2 of the above Endorsement, under my initials.

2. The date of termination of my appointment at Adoni was entered in my Service Register as 31st July 1869 and not 30th July as it appears to be, and the same entry has been attested and duly verified by the then Inspector of Schools, Central Circle. Hence the date has not been corrected

by me.

3. The total length of the services in the various appointments detailed in the Pension Application come up to 33 years, 9 months and 16 days, while the actual total length of my service, including interruptions, is 33 years 9 months and 12 days. This difference appears to me to be inevitable.

4. With reference to para 3 of the Endorsement, I beg to state that I am at this distant date unable to explain exactly, as to how the sums deducted from my salary in February 1874 and 1875 have been arrived at. I remember I was on leave on loss of pay for 15 days in Feb/1874 and a week in 1875. Further the Inspector's remark clearly states that the cause of the difference is not known. The Head Master of the Salem College too says that this information is not forthcoming from the School Records. vide his letter No. $\frac{30}{26.3.1889}$ enclosed. It will however be seen that this difference is immaterial since I have served the Government for a sufficiently long period.

5. I request therefore you will be pleased to forward the application to the Director of Public Instruction at your earliest convenience.

From

Director of Public Instruction,
Madras,

The Honorable The CHIEF SECRETARY TO GOVERNMENT,
Fort St. George.

Through the Accountant General
Madras

Sir,

I have the honour to submit an application for superannuation pension on behalf of M.R.Ry C. V. Kachayya Sastri late actg. Assistant Inspector of Schools, Third Division, together with his service book and a memo: shewing the calculation of average emoluments.

2. M.R.Ry Kachayya Sastri was relieved from the A. V. School, Adoni, on the 30th July 1869 and joined the Government Normal School at Madras on the 31st idem. But he has drawn his pay on the establishment of the School for the whole month. He should therefore refund the amount drawn by him as Headmaster of the Adoni

School for the 31st July 1869.

3. From his service book, it is observed that two sums of Rs 15.7.2 and Rs 7.8.0 were deducted from M.R.Ry Kachayya Sastri's pay for February 1874 and February 1875 respectively; but the cause of the deduction cannot be definitely ascertained. The Head Master, Salem College, in his letter no. 30, dated 26th March 1889, says that there is nothing in the records of the School to shew the cause of the deductions. M.R.Ry Kachayya Sastri says in his letter no. 594, dated 14.6.95, that he is not able at this distant date to give any explanation on the point, but that he remembers that he was on leave on loss of pay for 15 days in February 1874 and for a week in February 1875. If this were true, Rs 16.1.2 and not Rs 15.7.2 should have been deducted from his pay for the former month. M.R.Ry G. S. Abboy Nayudu, a contemporary, however, says in his letter no. 1288 d/ 29.4.95 that, to the best of his memory, M.R.Ry Kachayya Sastri was on leave on half pay during the above periods. It is not therefore clear whose statement should be accepted. Accepting M.R.Ry Kachayya Sastri's, he should now be required to refund annas ten, the difference between what

what he actually refunded in February 1874 and what he should have refunded had he been granted leave on loss of pay for 15 days in that month.

4. In the Service book, against the entry of M.R.Ry Kachayya Sastri's service as Assistant master, Zillah School, Salem, the late Dr. Bradshaw ~~had~~ has expressed a doubt whether his service in that School was pensionable or not. The Inspector of Schools, Central Circle says, from information received from M.R.Ry Kachayya Sastri in person, that he was paid from School fees during the time he served in the Salem School. The Headmaster, Salem College, in his letter d/ 10th ultimo no. 667, says that the name of C. V. Kachayya Sastri appears in the acquittance rolls of the institution from March 1873 to April 1875 as having drawn salary at Rs 30 per mensem; that it cannot be found out from what source, whether from Imperial funds or from fees, payment was made and that until January 1874 he bears the designation of 'Assistant master' and subsequently that of "School Assistant".

The records of this office also cannot throw light on the point whether his service in Salem was pensionable or not. In the absence of any proof to the contrary, I am inclined to think that it should be assumed that this service was pensionable as he would not have been transferred to a non-pensionable appointment, after he had put in more than 11 years' service.

5. The application was first received in this office on the 2nd August last, but had to be returned for certain information. It was received back only on the 2nd instant.

I have the honour to be,

Sir,

Your most obedient Servant,

D Duncan

SIR,

In returning the pension application of M.R.Ry C.V. Kachayya Sastri, late Ag. Assistant Inspector of schools, Third Division, with the enclosures, I have the honour to offer the following remarks.

2. A very careful search was made among the records not only in this office, but also among those of the Inspectors of Schools, Central and Western Circles, and no information could be gathered as to whether M.R.Ry Kachayya Sastri was paid from special funds from the 26th February 1873 to the 2nd May 1875, the period during which he was serving in the Salem Zillah School. In the order× appointing him to the school, no mention is made of the source from which his salary was to be paid and no explanation could be furnished as to why he was paid from special funds. It must, I think, have been due to some misapprehension on the part of the then Headmaster who

×Copy enclosed

who is now dead, and it would be very har M.R.Ry Kachayya Sastri should be made to suffer for no fault of his. Before his appointment to this school, he had put in more than 11 years' service and it is most unlikely that he would have been transferred from a pensionable appointment to a non-pensionable one. I am, therefore, strongly of opinion that his service in the Salem School should be considered as pensionable irrespective of any irregularity in the debiting of his pay.

3. I give below, in a tabular form, the particular arrangements in which M.R.Ry Kachayya Sastri was holding the appointment of Assistant Inspector of schools, Third Division, acting and subprotem from the 1st May 1891 to the 13th December 1892 and from the 19th February 1894 till the date of his retirement.

5-10-92 to 13-12-92	M.R.Ry A.C. Pranatartihara Aiyar	On privilege leave.
	M.R.Ry Kachayya Sastri	Ag. in the third Divn. for M.R.Ry A.C. Pranatartihara Aiyar.
19-2-94 to 6-7-94	Mr. E. Marsden	Appointed to the Central Circle vice Dr. Bradshaw deceased.
	Mr. Hanagan	s.p.t. in the Western Circle for Mr. Marsden
	M.R.Ry A.C. Pranatartihara Aiyar	s.p.t. in the 7th Divn. for Mr. Hanagan
	M.R.Ry Kachayya Sastri	s.p.t. in the 3rd Divn. for M.R.Ry A.C. Pranatartihara Aiyar.
om 7-7-94 to 11-7-95 (date M.R.Ry Kachayya Sastri's retirement)	Mr. E. Marsden	Central Circle

	M.R.Ry Kachayya Sastri	s.p.t. in the 3rd Divn. for M.R.Ry A.C. Prana Aiyar.

from the 6th May to the 31st August 1892, M.R.Ry Kachayya Sastri was acting in the Third Division in a permanent vacancy viz. Mr. Bickle's retirement and M.R.Ry T. Somasundara Rau and Kachayya Sastri may be considered as having counted service in the fifth and the third Divisions respectively during that period. In the same way, from 19th February '94 to 11th July '95, M.R.Ry Kachayya Sastri was holding the appointment of Assistant Inspector of Schools, Third Division, in a permanent vacancy, viz, the one caused by Dr. Bradshaw's death and he should be considered as having counted service in that appointment.

4. As regards the query why the applicant's salary was reduced from Rs. 50 to Rs. 25 a month from 31st July 1869, I have to refer you to G.O. No. 217 Edl dated 18th June 1869, from which it will be seen that he was sent to the Normal School for training and for higher education with a stipend of Rs. 25 per mensem and sanction was also accorded for counting the time spent in the Normal School towards pension.

5. Under Article 530 of the Civil Service Regulations, the acting allowances drawn by M.R.Ry Kachayya Sastri during the periods he acted as Assistant Inspector could not be included in the calculation of average emoluments. A revised memo. is, therefore forwarded and the necessary correction has also been made in the pension application.
